Respiratory Medicine preference guide

RMO and Registrar Campaign

Current Queensland trainees and new applicants interested in applying for a training position should complete the Queensland Respiratory Medicine Advanced Training Pathway section within the online RMO application.

Queensland Respiratory Medicine Advanced Training Pathway

Are you applying for a position on the **Queensland Respiratory Medicine Advanced Training Pathway**?
Please visit the Queensland Respiratory Medicine Advanced Training pathway webpage for specific and important information on applying for a position.

*There are different applications for Respiratory Medicine and Sleep Medicine advanced training positions in Queensland. **Do not** use this application for a Sleep Medicine position.*
*

Training facility preferences

Once you have nominated **YES** and complete the subsequent questions, you will be asked to preference the 10 facilities in order of personal preference from 1 to 10: (refer to the **Respiratory Medicine training sites and contact details document** for position numbers and site contact details.)

Cairns Hospital	Gold Coast University Hospital	Greenslopes Private Hospital	Logan Hospital
Mater Brisbane	Princess Alexandra Hospital	Royal Brisbane and Women's Hospital	Sunshine Coast University Hospital
The Prince Charles Hospital	Townsville University Hospital		

Indicate the facilities you would like to apply to, in order of personal interest. *Only preference facilities where you would accept a position, if offered. Please note that trainees are expected to spend 1 year in a single trainee centre and 1 year in a multi-trainee centre.*

Please indicate your first preference training facility:
Preferences indicated DO NOT guarantee you an allocated position to the hospital of your choice.

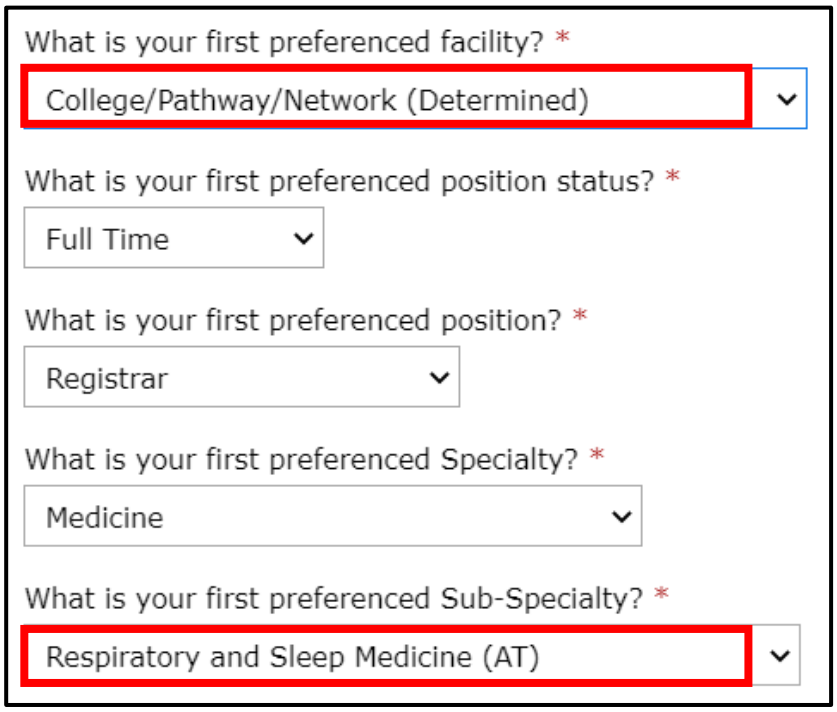
RMO application: Step 10 Preferences

To be **considered** for a position on the **Queensland Respiratory Medicine Advanced Training Pathway,** in the main **'Preferences'** section of the online RMO application you **MUST** complete your first preference as follows:



Note: the selection panel will not consider applications where Respiratory and Sleep Medicine (AT) is not nominated as the first Sub-specialty preference.

You have 5 preferences available to use for positions, it is recommended that you utilise a lower preference to indicate which positions you may be interested in if you are not selected to your preferred position. You can search for alternative vacancies by using the Position search tool on the RMO website.

For further information on the individual facilities including contact details, please refer the Participating hospital contacts and profiles page on the RMO Campaign website.
