Andre Wattiaux has agreed with the proposal. He will review the system when going, but is happy that it meets the requirements and standards we have set. The CTPI proposal is less imposition than other industry international travellers entering and using a partial private arrangement that will require the GCPHU to screen and test. Consequently, they are accepting.

Situation

CTPI have provided draft documents CTPI CTPI in appeal for an exemption for private quarantine CTPI CTPI facilitate entry of key individuals travelling internationally for the entertainment, film and sporting industries particularly to the Gold Coast film and entertainment industry. CTPI CTPI

Background

Movement of sporting teams into Queensland using quarantine hubs permitting maintenance of "craft" while maintaining privacy and security have been successful and now are being used for relatively high-risk to low-risk environments with the movement of Melbourne based AFL teams into three resorts in SEQld.
CTPI

Assessment
The experience and engagement by CTPI have been credible.
Planning is sufficiently detailed and meets quarantine requirements as delivered in Queensland Government provided quarantine facilities for international travellers including the screening and testing requirements and management of well-being and mental health, and pre-existing health conditions.
There is potential to support the re-establishment of a significant industry in Queensland.

Recommendation
Support the exemption application for Ms. D Minogue as a proof of concept private international quarantine arrangement.
Require full reporting of screening, testing, compliance and a final report to the GCPHU and the OCHO.

Dear CTPI

Thank you for your letter dated 7 July 2020, regarding supervised quarantine in a nominated premises for Ms Dannielle Minogue and her son, Master Ethan Smith.

As you are aware, under the *Self-quarantine for Persons Arriving in Queensland From Overseas Direction (No. 5)* a person arriving in Queensland from overseas is required to quarantine in a nominated premises as directed by an emergency officer (public health). In the majority of cases people are directed to quarantine in government-nominated accommodation to undertake 14 days of quarantine at their own expense.

You have requested that Ms Minogue and Master Smith be allowed to quarantine at CTPI for the 14-day quarantine period. This being a suitable nominated premises for the purpose of quarantine.

In support of this request, I have been provided with a copy of:

- Medical Plan for Ms Minogue and Master Smith relocating to Queensland
- COVID-19 Security Plan
- COVID-19 Safety Plan

I am satisfied that the arrangements outlined in the above documents meet the requirements for supervised quarantine, including a managed transfer to the quarantine premises. There are sufficient security measures to minimise the risk to the community of a possible quarantine breach.

During the quarantine period, please ensure that Ms Minogue and Master Smith are tested for COVID-19:

- within 48 hours of arrival; and
- between day 10 and 12 of quarantine; or
- if there is an onset of symptoms.

You will be responsible for arranging private testing. Essential persons may enter the nominated premises to undertake the testing. The test results should be provided to the Gold Coast Public Health Unit.

RTI RELEASE DRAFT

I confirm that on arrival in Queensland, Ms Minogue and Master Smith may transit to and quarantine at CTPI [redacted] for 14 days. They are required to comply with all other requirements of the Direction.

A copy of this letter has been provided to the Queensland Police Service and Gold Coast Public Health Unit to ensure that they are aware of the quarantine arrangements. Queensland Police Officers may conduct random compliance checks during the quarantine period.

CTPI [redacted] is responsible for the implementation of the quarantine arrangements outlined in the above documents and any associated costs.

Please be aware that any CTPI [redacted] entering Queensland wishing to undertake supervised quarantine overseen by you will be considered on a case-by-case basis as Queensland continues to manage its response to COVID-19.

Thank you again for contacting me regarding this issue. I trust that the above approval will assist with the quarantine arrangements for Ms Minogue.

Dear CTPI

Thank you for your letter dated 7 July 2020, regarding supervised quarantine in a nominated premises for Ms Dannielle Minogue and her son, Master Ethan Smith.

As you are aware, under the *Self-quarantine for Persons Arriving in Queensland From Overseas Direction (No. 5)* a person arriving in Queensland from overseas is required to quarantine in a nominated premises as directed by an emergency officer (public health). In the majority of cases people are directed to quarantine in government-nominated accommodation to undertake 14 days of quarantine at their own expense.

You have requested that Ms Minogue and Master Smith be allowed to quarantine at CTPI for the 14-day quarantine period. This being a suitable nominated premises for the purpose of quarantine.

In support of this request, I have been provided with a copy of:

- Medical Plan for Ms Minogue and Master Smith relocating to Queensland
- COVID-19 Security Plan
- COVID-19 Safety Plan

I am satisfied that the arrangements outlined in the above documents meet the requirements for supervised quarantine, including a managed transfer to the quarantine premises. There are sufficient security measures to minimise the risk to the community of a possible quarantine breach.

During the quarantine period, please ensure that Ms Minogue and Master Smith are tested for COVID-19:

- within 48 hours of arrival; and
- between day 10 and 12 of quarantine; and
- if there is an onset of symptoms.

You will be responsible for arranging private testing. Essential persons may enter the nominated premises to undertake the testing. The test results should be provided to the Gold Coast Public Health Unit.

RTI RELEASE

I confirm that on arrival in Queensland, Ms Minogue and Master Smith may transit to and quarantine at CTPI for 14 days. They are required to comply with all other requirements of the Direction.

A copy of this letter has been provided to the Queensland Police Service and Gold Coast Public Health Unit to ensure that they are aware of the quarantine arrangements. Queensland Police Officers may conduct random compliance checks during the quarantine period.

CTPI is responsible for the implementation of the quarantine arrangements outlined in the above documents and any associated costs.

Please be aware that any future clients entering Queensland wishing to undertake supervised quarantine overseen by you will be considered on a case-by-case basis as Queensland continues to manage its response to COVID-19.

Thank you again for contacting me regarding this issue. I trust that the above approval will assist with the quarantine arrangements for Ms Minogue.

Hi Karen

Please find attached:

- Previous email to QPS, dated 10 July 2020, advising of Ms Minogue's nominated premises and quarantine arrangements
- Letter to CTPI
- Letter to Dannielle Minogue and Master Ethan Smith.

Please be aware that Ms Minogue was **not** granted an exemption, rather Dr Young approved a nominated premises at which Ms Minogue could quarantine.

Ms Minogue should still have been provided with a quarantine order just noting the alternative nominated premises rather than a government nominated hotel.

Ms Minogue's quarantine is being managed by CTPI in accordance with a detailed health and security plan, including 24/7 onsite private security maintaining a log of activity which is provided to the GC Public Health Unit. Due to the confidentiality of this plan it will not be shared at this time.

All parties were advised that the QPS may undertake random compliance checking during the quarantine period.

If you need anything else please let us know.

Subject: Exempted Person - Danielle Minogue

Good Morning,

This morning the Health Minister confirmed in the media that Ms. Danielle Minogue has been granted a 'special exemption' from hotel quarantine and that she is currently in self-quarantine on the Gold Coast.

The attached document shows QPS records of Ms. Minogue transiting through the Brisbane airport on 11 July 2020 however details of the 'special exemption' haven't been provided to Task Force Sierra Linnet.

Can Queensland Health please provide information to Task Force Sierra Linnet around that conditions of Ms. Minogue's self-quarantine, a copy of the self-quarantine direction, and details about who will be responsible for compliance checking in this regard. This responsibility has traditionally rested with Task Force Sierra Linnet where people are in self-quarantine in the community however we are currently unaware of the arrangements made between Q-Health and Ms. Minogue.

Dear CTPI

Thank you for your letter dated 7 July 2020, regarding supervised quarantine in a nominated premises for Ms Dannielle Minogue and her son, Master Ethan Smith.

As you are aware, under the *Self-quarantine for Persons Arriving in Queensland From Overseas Direction (No. 5)* a person arriving in Queensland from overseas is required to quarantine in a nominated premises as directed by an emergency officer (public health). In the majority of cases people are directed to quarantine in government-nominated accommodation to undertake 14 days of quarantine at their own expense.

You have requested that Ms Minogue and Master Smith be allowed to quarantine at CTPI for the 14-day quarantine period. This being a suitable nominated premises for the purpose of quarantine.

In support of this request, I have been provided with a copy of:

- Medical Plan for Ms Minogue and Master Smith relocating to Queensland
- COVID-19 Security Plan
- COVID-19 Safety Plan

I am satisfied that the arrangements outlined in the above documents meet the requirements for supervised quarantine, including a managed transfer to the quarantine premises. There are sufficient security measures to minimise the risk to the community of a possible quarantine breach.

During the quarantine period, please ensure that Ms Minogue and Master Smith are tested for COVID-19:

- within 48 hours of arrival; and
- between day 10 and 12 of quarantine; and
- if there is an onset of symptoms.

You will be responsible for arranging private testing. Essential persons may enter the nominated premises to undertake the testing. The test results should be provided to the Gold Coast Public Health Unit.

RTI RELEASE

I confirm that on arrival in Queensland, Ms Minogue and Master Smith may transit to and quarantine at CTPI for 14 days. They are required to comply with all other requirements of the Direction.

A copy of this letter has been provided to the Queensland Police Service and Gold Coast Public Health Unit to ensure that they are aware of the quarantine arrangements. Queensland Police Officers may conduct random compliance checks during the quarantine period.

CTPI is responsible for the implementation of the quarantine arrangements outlined in the above documents and any associated costs.

Please be aware that any future clients entering Queensland wishing to undertake supervised quarantine overseen by you will be considered on a case-by-case basis as Queensland continues to manage its response to COVID-19.

Thank you again for contacting me regarding this issue. I trust that the above approval will assist with the quarantine arrangements for Ms Minogue.

Subject: [PL] - [DPC] - Request for advice - correspondence about Danni Minogue exemption from hotel quarantine

Hi RL

As per DPC's request below, are you able to provide some standard words that they can use in responding the corro in relation to the approval of Danni Minogue to quarantine at home.

If this cannot be done, are you able to make any suggestions on how DPC can respond to corro of this sort.

Many thanks

Emma

Subject: Request for advice - correspondence about Danni Minogue exemption from hotel quarantine

Hi SDLO team,

The Premier has received a number of items of correspondence (examples below) related to the approval of Danni Minouge to quarantine at home. In order to draft our response, we are hoping QH may have some standard words that can be used.

Could you please advise if this is the case, and if not, could we please request advice to respond to correspondence of this nature?

It would be greatly appreciated if we could receive this by Friday, 7 August.

Thank you in advance.

Kind regards,
Gabi

_____

I am writing in relation to the recent approval of Danni Minogue to quarantine at home because she has a 'Covid safe plan'. I am appalled that the government can approve someone who is rich and famous to quarantine at home when so many others in worse situations are being denied.

RTI RELEASE

Why is everyone else being denied and a famous and/or wealthy Australians allowed to be at home? What exactly is the COVID safe plan? Why can the general public also not have access to this approval?

Please could your office provide an explanation as to why Danny Minogue was allowed to self isolate in a private house where as other residents have to submit to mandatory quarantine in a hotel which we have to pay for regardless of whether we have the funds to pay for such quarantine.
CTPI Surely if it's good enough for Ms Minogue then we as returning residents should be offered the same option shouldn't we?

All Australians are equal and there should be NO exceptions when it comes to quarantine. The prime minister and the homeless should be treated equally. While I support the Government's policy generally wrt the virus, I am extremely disappointed the Dani Minogue has been allowed to quarantine at home. This decision should be immediately reversed and no other exemptions should be granted to anyone.
