

Hi I'm **Dr Gino Pecoraro, President of the Australia Medical Association of Queensland**

It is my great pleasure to congratulate BreastScreen Queensland on 20 fabulous years of work. All the women and families of Queensland appreciate you and so do the doctors of Queensland. Well done and keep up the good work.

**Kathy Faulkner, Manager, Women's Health Queensland Wide**

As the Manager of Women's Health Queensland Wide, I would like to congratulate BreastScreen Queensland on its 20<sup>th</sup> Anniversary.

Through our work in providing health promotion information and education to women and health professionals throughout Queensland we see the impact that Breast cancer has on the women, their family and friends and the wider community every day. So from Women's Health Queensland Wide to BreastScreen Queensland thank you for all your work for the past 20 years and good luck for the next 20.

**Jeannie Mok, Director, Multicultural Community Centre**

Happy Birthday BreastScreen Queensland. You are 20 years old and you know may you have many more years of making women well and making sure women are well. Thank you.

**Susan Lingard and Sarah Constantine, Cancer Council Queensland**

On behalf of Cancer Council Queensland we would like to congratulate BreastScreen Queensland on their 20<sup>th</sup> Anniversary and on their free high quality Breastscreen and Assessment Services. BreastScreen Queensland offers a vital service to Queenslanders to help reduce illness and death in breast cancer and we are delighted to have this opportunity to say happy birthday. Cancer Council Queensland looks forward to working with BreastScreen to help reduce the incidence of cancer and look forward to a cancer free future for all Queenslanders.

**Professor Mary-Lou Fleming Head of School, Queensland University of Technology**

Happy Birthday BreastScreen Queensland. 20 years of fantastic service to the women of Queensland. Both rural and remote and urban areas with high quality health professionals dealing one on one to provide the best quality service available. I hope you have a wonderful birthday and we can all look forward to another 20 years of high quality service.

**Agnes Whiten, Ethnic Communities Council Queensland**

In my language ..... means Congratulations, Happy Birthday BreastScreen Queensland. Early detection saves lives.

**Jurina Demaine, Queensland Representative, Breast Cancer Network Australia**

Breast Cancer Network Australia congratulates BreastScreen Queensland on it's milestone 2 decades of service to Qld women. BreastScreen is an important service and BCNA urges all eligible women to participate. Happy Birthday BreastScreen Queensland and thank you.

**Dr John Kastrissios, Board Member General Practice Queensland**

On behalf of General Practice Queensland I would like to congratulate BreastScreen Queensland on its successful journey to the fantastic service that it is today.

**Galila Abdelsalam, Director, Islamic Women's Association Queensland**

I want to say for everyone working for BreastScreen Queensland – happy birthday and for the people I want to say that they start big they still great job they doing, everyone was doing and the excellent job they are doing saving thousands of lives is a really great job, so wish you all the best continue the good work you are doing.

**Marian Mudra President, Queensland Country Women's Association**

On behalf of the women of the Queensland Country Women Association but more importantly on behalf of all the women of Queensland Happy Birthday, congratulations on achieving 20 years of service to these women. You have grown in 20 years, may you continue to grow and provide a wonderful service. Thank you - Happy Birthday.

**Annette Rabbitt. Indigenous Health Worker**

BSQ 20 years celebration and a big Happy Birthday

**Dr Jeannette Young, Chief Health Officer, Queensland Health**

Congratulations BreastScreen Queensland. It's been a fantastic 20 years. Congratulations.
