

Queensland Health Disclosure Log for 2011/2012

Queensland Health is required to maintain a disclosure log of non-personal documents released as a result of access applications processed under the *Right to Information Act 2009*. The Queensland Health Disclosure Log (QHDL) contains a summary of documents available, rather than copies of the relevant documents being uploaded onto the department's website. Interested parties may access copies of the documents listed in the QHDL (either in hard copy, CD or (where possible) email) simply by contacting the Administrative Law Team, Queensland Health (contact details below).
