**MATER HEALTH SERVICES BRISBANE**

***(Mater Adult, Mater Mothers' and Mater Children's Hospitals)***

**CROSS CAMPUS**

**Registrars (to all three hospitals)**

Anaesthetics (General, Obstetric, Paediatric), Dermatology, Ear Nose and Throat, Orthopaedics, Pathology - Haematology, Emergency Medicine, Urology.

***Please note:*** Other specialties available to Registrars are listed under the three Mater hospitals below or rotate from other hospitals.

**House Officers**

The three Mater hospitals provide programs for gaining broad additional experience for varying periods, subject to negotiation, in Medicine, Medical Specialities, Surgery, Surgical specialties, Obstetrics (DRANZCOG), Gynaecology, Paediatrics, Anaesthetics, Country Relieving and Emergency Medicine training (Paediatric and Adults)

**MATER ADULT HOSPITAL**

**Registrar positions available as follows** (see also 'Mater Hospitals'):

- **Medicine:**

Basic medical training in General Medicine, Respiratory Medicine, Coronary Care, Intensive Care, Cardiology, Night Duty and Relieving. Advanced training positions in Clinical Haematology, Oncology, Gastroenterology, Endocrinology, Obstetric Medicine, Infectious Diseases and Emergency Medicine.

- **Surgery:**

Basic surgical training positions in General and Vascular Surgery. Advanced training positions in Urological, Plastic, Ear Nose and Throat, Orthopaedic, Cardiac, Paediatric and Neonatal Surgery.

## **MATER CHILDREN'S HOSPITAL**

(See also 'Mater Hospitals'):

The Mater Children's Hospital offers a coordinated program of paediatric training commencing in either the Junior House Officer or Senior House Officer year and extending through general and sub-specialty paediatric registrar positions to fellowships in sub-specialty areas. All the major areas of paediatric training are represented and a high quality training program is offered. Special arrangements can be made for people wishing to train in Paediatrics prior to taking Paediatric Principal House Officer positions in regional centres, or for those in the RACGP Training Program. Further information is available at <http://www.mater.org.au/mchpostgradtr/introduction.html>

## **MATER MOTHERS' HOSPITAL**

**Registrar positions available as follows** (see also 'Mater Hospitals'):

RANZCOG accredited positions in Obstetrics and Gynaecology with one position offered as Fellow in sub-specialty training in Maternal Fetal Medicine. There are limited places in a six month DRANZCOG recognised position in Obstetrics and Gynaecology. Positions in Neonatology accredited for advanced Neonatal/Perinatal training. Neonatal positions on six months rotation with Logan, Toowoomba, Gold Coast or Ipswich Hospitals.

Paediatric rotations include 4 general paediatric units with sub-specialty attachments plus pure sub-specialty units. Specialties include Neurology, Endocrinology, Gastroenterology, Intensive Care, Oncology, Child Psychiatry, Child Protection/Child Development, Rehabilitation, Emergency Medicine, Respiratory/Immunology, Metabolic Medicine and Nephrology. Registrars rotate to The Mater Children's Hospital for Cardiology and The Royal Brisbane and Women's Hospital for Neonatology.

- In addition Registrars rotate to Cairns, Mackay, Rockhampton, Gold Coast, Redcliffe and Caboolture Hospitals for General Paediatrics.
- Registrars in Anaesthetics, Radiology and Surgical sub-specialties are appointed by the Royal Brisbane and Women's Hospital and rotate to the Royal Children's Hospital.

#### **House Officers**

Third year Resident Medical Officers may be appointed for 6 to 12 month positions to commence paediatric training. GP Registrars may be appointed for 6 months 'Special Skills' training. The Royal Brisbane and Women's Hospital, Princess Alexandra Hospital and The Prince Charles Hospital send Resident Medical Officers on secondment to the Royal Children's Hospital for terms of 10 to 12 weeks.
