

**Gold Coast Health Service District Human Research Ethics Committee  
EC00160**

The following is the current composition of the QH Gold Coast Health Service District HREC as at 01 February 2012.

It is advised that the Committee abides by the guidelines of the National Health and Medical Research Council's *National Statement on Ethical Conduct in Human Research (2007)*.

It is also advised that the investigator(s) for a study are not involved in the deliberations regarding HREC approval of a study.

Attendance at a Committee meeting is in accordance with Guidance of the National Statement Section 5.2.30.
