The *Happy Teeth* program

- is easy to obtain
- is fun to use
- helps keep children, parents and staff healthy
- is a valuable tool that can be used in the accreditation process

Child Care facilities in Queensland are **eligible** to receive one free copy of the Happy Teeth Resource Kit. If you are a Queensland Child Care facility and your centre has not received a kit before, please complete this form and post, fax or email it to us at the address below.

If your facility is **not eligible** for a free copy of the kit, or you would like an additional or updated kit, you can download a copy of the Happy Teeth manual or purchase the entire kit online at the Queensland Government bookshop at www.bookshop.qld.gov.au
