Chef's Hat

Have you ever wondered why chefs wear funny white hats on their heads? They stop hair from falling into the food.

1 sheet paper (55 cm x 10 cm)

1 sheet paper (55 cm x 5 cm)

1. Fold 10-cm-wide paper in half lengthwise and put aside.

2. Fold 5-cm-wide paper in half lengthwise and put aside.
3. Take 1 piece of 15-cm-wide white paper and put it in front of you.

4. Bring the bottom of the paper up 2½ cm and fold.

5. Five cm above the fold, make another fold back the other way.

6. Continue making folds with the rest of the sheet.

Chef's Hat *(cont.)*

7. Repeat the same process with the other two 5-cm-wide sheets.

9. Press down on the sheets and insert into the 5 cm band.

8. Lay the wider 5 cm strip on the table as shown.

10. Staple the fold to the band or rim.

11. Reinforce the top by pasting the 2½ cm folded strip to the back top edge.

12. Bend each end around until they meet. Attach one end to the other to make a hat.
