

This report:

- fulfils government reporting requirements
- provides a strategic overview of the department's activities and achievements during the 2003-04 financial year
- provides performance, financial and statistical data

Key achievements are described in terms of the Queensland Health Strategic Plan 2000-2010, with each relating to the five organisational outputs consistent with the Managing for Outcomes Framework of the 2002-03 Queensland Health State Budget. Financial reporting is also aligned to the outputs.

Hospital activity data included in this report cover the activity of 37 health service districts and the Mater public hospitals.

Promoting a healthier Queensland

Our mission

Promoting a healthier Queensland

Our vision

Leaders in health — partners for life

Our values

We recognise that Queenslanders trust us to act in their interest at all times.

To fulfil our mission and sustain this trust we share four core values:

- professionalism
- teamwork
- performance accountability
- quality and recognition

Our strategic intents

We will be successful in promoting a healthier Queensland through five strategic intents:

- healthier staff
- healthier partnerships
- healthier people and communities
- healthier hospitals
- healthier resources.
