

Molecular and Clinical Pathology Research Laboratory (MaCH R) Price List (effective 9/12/10)

HISTOLOGY

	Unit	Cost
Paraffin processing		
Standard paraffin process - tissue/agarose embedded cells	Sample	\$24.50
Standard paraffin process - cell suspension	Sample	\$42.51
Process cassetted tissue with no embedding*	Sample	\$4.47
Decalcify sample and process - EDTA, Ion Exchange or Formic acid	Sample	\$43.72
MegaCassette required - add	Cassette	\$1.20
Biopsy foam pad required - add	Foam pad	\$0.05
* Tissue must be cassetted or an extra \$4.45 charge will be incurred		
Slide box (if not provided)	Box	\$10.00
Paraffin sections - unstained		
Slides supplied (user supplies the pre labelled slides)	Slide	\$2.05
Plain slide	Slide	\$2.71
Superfrost Plus slide (SFP)	Slide	\$2.90
In situ hybridisation (sterile SFP slide - RNase free)	Slide	\$4.31
Microdissection slide (sterile normal slide - RNase free)	Slide	\$4.12
PCR sample (up to 10 sections)	Slide	\$14.94
Extra block on a slide (per block)	Block	\$2.05
Step section on one slide (per step section)	Section	\$1.73
Frozen sections - unstained		
Frozen samples must be collected with slides		
Slides supplied (user supplies the pre labelled slides)	Slide	\$2.10
Frozen sections	Slide	\$2.97
In situ hybridisation (sterile SFP slide - RNase free)	Slide	\$4.31
Microdissection slide (sterile normal slide - RNase free)	Slide	\$4.17
Microdissection slide - special MD slide provided	Slide	\$3.42
PCR sample (up to 10 sections)	Slide	\$14.94
Extra block on a slide (per block)	Block	\$2.10
Step sections on one slide (per step section)	Section	\$1.78
Paraffin or frozen sections - stained (cost includes slide)		
Section with H&E stain - standard morphology	Slide	\$14.06
H&E stain supplied slide	Slide	\$11.55

Immunohistochemistry		
DAB Biocare MACH2 HRP polymer	Slide	\$26.20
DAB Biocare MACH3 HRP polymer	Slide	\$26.70
DAB Biocare goat HRP polymer	Slide	\$27.20
Biocare MACH2 AP polymer	Slide	\$30.20
Biocare goat AP polymer	Slide	\$27.50
Ventana autostainer	Slide	\$26.95
Her2 IHC staining	Slide	\$48.00
Other antibodies staining	Slide	\$30.00
Her2 SISH	Slide	\$324
Labour (charged)	Hour	\$126.00

TISSUE MICROARRAYS

	Cost
TMA Construction and setup* (1-50 cores)	POA
TMA Construction and setup* (51-100 cores)	POA
TMA Construction and setup* (101-150 cores)	POA
TMA Construction and setup* (151-200 cores)	POA
Transfer per core**	POA
Sectioning setup	POA
Slide	POA

HAMAMATSU NANOZOOMER

	Unit	Cost
Training	Per hour	\$100.00
Unassisted use	Per slide	\$10.00
Slides left for scanning	Per slide	\$20.00
Fluorescence scanning	Per slide	\$25.00

NEXT GENERATION SEQUENCING

Please contact MaCH R for project specific pricing

AFFYMETRIX MICROARRAYS

Please contact MaCH R for project specific pricing

LCM

	Unit	Cost Notes
Staining (\$10 cost of slide + \$6/time)	Per slide	\$16.00
Capture (including cap)	Per slide	\$100

The MaCH R facility operates on a cost recovery basis.
