

**COMMUNITYCHILDHEALTH
CONFERENCE2008**

The Royal Children's Hospital Health Service District takes great pleasure in inviting you to the Community Child Health Conference 2008.

This Conference aims to raise the profile of the benefits of increased intersectional collaboration, identify future directions and provide an interactive forum to stimulate debate on contemporary issues for children and young people.

Additionally the conference will focus on the conference themes:

-  **Celebrate**
-  **Collaborate**
-  **Innovate**

**Thursday 23 October &
Friday 24 October 2008
Victoria Park Conference Venue
Herston Road, Brisbane, Queensland**
