Gastroenterology and Hepatology (Advance Training)

Gastroenterology and Hepatology Advanced Training Positions

Candidates who are on or have applied to be selected onto Advanced Training Program in Gastroenterology and Hepatology program with the Royal Australasian College of Physicians (RACP) are advised to preference positions at the accredited advanced training facilities noted below in their order of personal interest. Up to 5 preferences may be recorded as part of the application.

For example:

What is your second preferred facility?  
Townsville Hospital

What is your third preferred facility?  
Princess Alexandra Hospital

What is your second preferred position?  
Registrar

What is your third preferred position?  
Registrar

What is your second preferred Specialty? *  
Medicine

What is your third preferred Specialty? *  
Medicine

What is your second preferred Sub-Specialty? *  
Gastroenterology and Hepatology (AT) (Med)

What is your third preferred Sub-Specialty? *  
Gastroenterology and Hepatology (AT) (Med)
