Respiratory & Sleep Medicine (Advanced Training)

Respiratory & Sleep Medicine Advanced Training Positions

Candidates who are on or have applied to be selected onto Advanced Training Program in Respiratory and Sleep Medicine with the Royal Australasian College of Physicians (RACP) are advised to preference positions at Queensland Health facilities as per the “Positions available” noted below in their order of personal interest. Up to 5 preferences may be recorded as part of the application.

For example

What is your first preferred facility? *
Gold Coast Health Service

What is your first preferred position? *
Registrar

What is your first preferred specialty? *
Medicine

What is your first preferred sub-specialty? *
Respiratory and Sleep Medicine (AT)

What is your third preferred facility?
Logan Hospital

What is your third preferred position?
Registrar

What is your third preferred specialty? *
Medicine

What is your third preferred sub-specialty? *
Respiratory and Sleep Medicine (AT)

The above is illustrative only and is not suggestive as to the exact order in which facilities should be preferred
