Advanced training positions in Palliative Medicine

In Queensland, all palliative medicine advanced training positions are managed through the palliative medicine training pathway.

To be considered for a palliative medicine pathway position you MUST complete the preference section of the RMO Campaign application correctly. To do this, simply nominate the following as your first preference choices:

What is your first preferred facility? *
College/Pathway (Determined Placements)

What is your first preferred position? *
Registrar

What is your first preferred Specialty? *
Palliative Medicine

What is your first preferred Sub-Specialty? *
Palliative Medicine (AT) (Pall)

All candidates can preference up to 5 positions within the online application. Additional information on the pathway and the application process is available via: http://www.health.qld.gov.au/rmo/tp_palliative_med.asp.
The following hospitals and services are accredited for training and contribute to the integrated pathway.
