

QEII JUBILEE HOSPITAL
Southside Health Service District
(Southern Health Service Area)

Location:

Brisbane, South East Queensland.

Clinical Services:

The QEII Jubilee Hospital is a 161 bed hospital located 9 kms south of Brisbane City. It offers various inpatient and outpatient services including General Medicine, Intensive Care, Orthopaedics, Urology, Gynaecology, General Surgery, Emergency, Rehabilitation and Aged Care Services.

The Physiotherapy Department at QEII Jubilee Hospitals employs 17 physiotherapists and two physiotherapy assistants. The Department provides clinical services across all areas of the hospital while maintaining a strong culture in undergraduate and postgraduate teaching and clinical education. The Department also hosts several clinical research projects and has formal links to Universities.

Position Description:

Commencement date: 12 January 2009.

The new graduate program consists of four (4) three month clinical rotations:

- Musculoskeletal Outpatients
- Orthopaedics
- Rehabilitation
- Medical/ Surgical/ ICU/Emergency

Flexible working conditions include the option of working a 9-day-fortnight or a 19-day-month, with hours generally between 7.30 am - 4.30 pm or 8.00 am – 5.00 pm.

On-call and weekend work approximately every 10 weeks is paid as additional overtime hours.

New Graduate Physiotherapy Opportunities:

We offer a friendly and supportive work environment with strong clinical leadership, guidance and appropriate clinical supervision.

The four clinical rotations provide an excellent range of new graduate experiences in work areas with strong peer support and well functioning multidisciplinary teams.

There are excellent educational opportunities including weekly in-services, strong mentoring and peer support, specific training as required for rotations or weekend work and many educational opportunities through the Department and Staff Development Unit. Additionally, there is the opportunity to consolidate and extend knowledge and skills in research and service improvement activities and projects.

Position Benefits:

- Option of working a 9-day-fortnight
- Parking is free and available on-site
- Active social club with regular events
