QARTS training preference guide

RMO Campaign 2021

The Queensland Anaesthetic Rotational Training Scheme (pronounced ‘quartz’) oversees the four (4) Australian and New Zealand College of Anaesthetics (ANZCA) accredited rotations in Queensland in accordance with ANZCA’s Regulation 37 and the Handbook for Training and Accreditation.

In the online RMO application, applicants need to answer ‘YES’ to the Queensland Anaesthetic Rotational Training Scheme (QARTS) question, read and understand the selection process and other requirements outlines within the QARTS website, and complete the all subsequent questions.

Queensland Anaesthetic Rotational Training Scheme (QARTS)

Do you wish to apply for an accredited anaesthesia registrar post through the Queensland Anaesthetic Rotational Training Scheme (QARTS) for 2021?

RMO Application: Step 10 Preferences

At Step 10: Preferences of the online RMO application, to be considered by the QARTS program, you MUST complete your first preference as follow. If you do not allocate 'Anaesthesia' as your 1st preference, you will not be considered by the QARTS program:

What is your first preferreded facility? *

College/Pathway/Network (Determined)

What is your first preferreded position? *

Registrar

What is your first preferreded Specialty? *

Anaesthesia

What is your first preferreded Sub-Specialty? *

None (Anaes)

As up to 5 preferences may be recorded as part of the application, it is recommended that applicants utilise a lower preference to indicate which positions they may be interested in if they are not selected to their preferred positions. You can search for alternative vacancies by using the Position search tool on the RMO website.

For further information on the individual facilities including contact details, please refer the Participating hospital contacts and facility profiles page on the RMO Campaign website.
