

Record of module edits

CSCF V3.2

The Clinical Services Capability Framework for Public and Licensed Private Health Facilities (CSCF) v3.2 was published on 9 December 2014.

CSCF v3.2 minor edits, triggered by unintentional duplication, contradiction, errors of fact, typographical and/or formatting issues will be needed from time to time. A record of module edits will be published as necessary summarising all CSCF v3.2 minor edits made in the relevant timeframe.

Printed material is regarded as an uncontrolled copy and it is the responsibility of persons printing documents to refer to the online CSCF service modules for the latest edition.

Further queries should be directed to cscf@health.qld.gov.au

CSCF v3.2 module edits – August 2019 to 30 September 2022.

Module	Original content	Update(s)	Date
