

## Guide to PBS Scripts Sunshine Coast University Hospital and Nambour General Hospital

From 4 February 2019:

- Scripts from SCUH and NGH will be printed by computer and hand-signed by the prescribing doctor.
- Authority, S8 and S3/4 medications will be on separate prescriptions.

Sample PBS script:

**Prescription Number**  
Now appears beneath any authority items to be claimed.

**PBS Authority Number**  
Streamline & phone authority numbers appear here. The hospital prescriber will make a note if a complex authority is required. Medicare will continue their current process.

**Number of items per prescription duplicate**

**Hand-written signature of prescribing doctor.** If the script is not signed, contact the doctor.

**The patient should supply two signed scripts.** If not, contact the doctor.
