

First Nations COVID-19 vaccination training

'Keeping communities safe' in 2021

Are you...

- an Aboriginal and Torres Strait Islander Health Worker?
- an Aboriginal and Torres Strait Islander Health Practitioner?
- interested in working with your service vaccination team?

Why do this training?

To meet the requirements to be part of the vaccination team in your community.

We will have to work quickly. It's a big job ahead!

What is the training?

- Cunningham Centre modules
- Face-to-face workshop with Aboriginal and Torres Strait Islander Community Controlled Health Organisations (A&TSICCHO), Hospital and Health Services and Public Health Units
- A competency checklist completed with your vaccination team support person post training
- Commonwealth training modules telephone support available with the 13HEALTH Deadly Triage nurses by email request to:
AandTSItrigenurses@health.qld.gov.au

How do I register?

[Click here](#)

Or go to the Cunningham Centre website:
