<p>PEPA: The Program of Experience in the Palliative Approach PEPA is an Australian government program funded through the National Palliative Care Program. It provides a supported learning experience for GPs, rural medical practitioners, nurses, Indigenous Health Workers and allied health practitioners to enhance skills in palliative care through:</p> <ul style="list-style-type: none"> • Provision of educational resources and learning activities; • Strategies for integration of learning into their clinical practice • Supervised clinical placements; and • Ongoing support through the development of networks. <p>For further information contact CPCRE or go to www.health.qld.gov.au/cpcre/</p>	<p>The Centre for Palliative Care Research and Education was established by Queensland Health in 2001 to enhance palliative care services in Queensland through education and research endeavours. CPCRE is led by a consortium of organisations who work with other agencies to improve the quality of care provided to people with life limiting illness.</p> <p>For CPCRE education activities contact: Phone: 07 3646 1449 Email: cpcre@health.qld.gov.au and www.health.qld.gov.au/cpcre/</p>
