Dear Ms Jamieson

I write in relation to membership of the Wide Bay Hospital and Health Board.

As you are aware, the Department of Health recently conducted a public Expression of Interest to fill expiring positions in Hospital and Health Boards across Queensland.

I am pleased to advise that His Excellency the Governor, acting on the advice of Executive Council and under the provisions of the *Hospital and Health Boards Act 2011* has approved appointments to these positions. Attachment 1 details the updated member composition of your Board.

All appointments have been published in the *Queensland Government Gazette* and will commence on 18 May 2021.

The Chair must ensure incoming members gain a rapid and comprehensive understanding of the health needs of their local community and the opportunities and challenges involved in delivering the health services required to meet those needs.

I have written to all appointees to confirm their terms of appointment and advise that further information in relation to their role will be provided by their respective Hospital and Health Service.

In accordance with section 31 of the Act, all Hospital and Health Boards are required to act impartially and in the public interest when performing their duties. Appointees have therefore been directed towards the *Code of Conduct for the Queensland Public Service*, which outlines the Government's commitment to the highest levels of integrity and accountability.

A copy of the Code and other associated information is available on the Ethics in the Queensland Public Service website at <https://www.forgov.qld.gov.au/conduct-and-performance>.

Should you require any further information in relation to this matter, I have arranged for Ms Tammy Sovenhazi, Director, Office of Health Statutory Agencies, Department of Health, on telephone Irrelevant to be available to assist.

Yours sincerely
