Required

Navigating to the courses

Click 'Course Catalogue' in the top menu bar, then select 'Queensland Health Immunisation Program – Online Course'.

Pre-course requirements

You are required to complete a pre-course survey and acknowledge a disclaimer before accessing course content.

Click the 'Pre-course Survey and Disclaimer' link.

Click the button labelled, 'Answer the questions'

Once you have completed the survey and acknowledged the disclaimer you will be returned to the course homepage where the eLearning modules will now be accessible.

Completing the modules

Each module contains 3 elements:

- eLearning module – this is shown next to a golden box icon
- certificate – this is unavailable until the eLearning module is complete
- References – this downloadable document lists the resources referenced in the eLearning module.

The screenshot shows the 'Meningococcal B' module page. At the top, there's a blue header with the text 'Queensland Public Health and Scientific Services - Online Immunisation Course'. Below this is a dark blue bar with 'Course Home' and 'Feedback' links. The main content area has a blue header with 'Meningococcal B' and a small image of a hand holding a test tube. Below this is a navigation bar with 'Course', 'Filters', 'Request Extension', and 'Reset my activity completion'. The main content area contains a paragraph of text about the Queensland MenB Vaccination Program. Below the text is a box with a globe icon and the text 'URL Meningococcal B - elearning module'. A 'Collapse all' button is visible in the top right corner of the content area.

Click the eLearning module.

Each eLearning module is self-paced and interactive. There is a menu bar across the top that you can use to access navigation, transcripts of spoken audio, the glossary and downloadable resources.

The screenshot shows the 'Meningococcal B Vaccination Training Course' interface. At the top, there's a blue header with the text 'Meningococcal B Vaccination Training Course' and 'MENU RESOURCES'. Below this is a large blue area with the text 'Meningococcal B Vaccination' and 'Queensland Health Immunisation Program'. A green button with the text 'Start module' is visible. The Queensland Government logo is in the bottom right corner. A video player interface is at the bottom, showing a play button and a progress bar.

At the end of each module, be sure to click the green button to exit the module. Clicking this triggers your certificate to be generated.

Accessing your certificate

On completion of each eLearning module, the relevant certificate becomes available to download.

Click the certificate link to access.

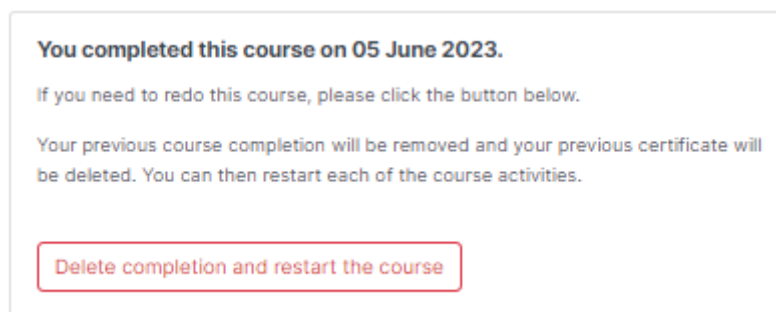

Click the 'View certificate' button

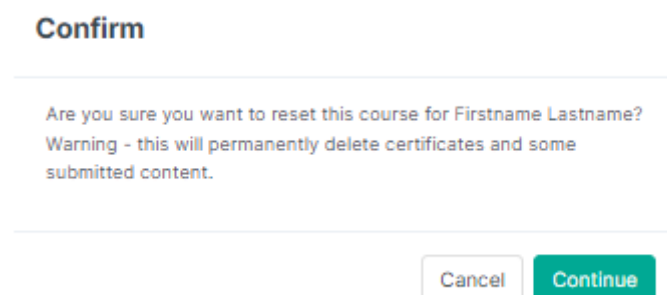

You can return to the Cunningham Centre Learning Management System at any time to download further copies of your certificate if required.

Recompleting a module

If you are returning to a module to renew your training, you will see the following:

Clicking 'Delete completion and restart the course' will remove your previous certificate. Please ensure you have downloaded prior certificates prior to resetting your completion.

Click the 'Continue' button and you will be able to access the eLearning module again. A new certificate will be issued on completion of the eLearning module.

Technical support

If you require technical support accessing the online system, please email cunninghamcentre@health.qld.gov.au.

If possible, please include:

- details of the device you are using (e.g. desktop/laptop, tablet, phone, Windows, Android, Apple)
- any steps you have already followed
- any error message you are seeing on screen
- a screenshot.

Content queries

If you have questions about the course content or are unsure which course is right for you, please contact immunisation@health.qld.gov.au.
