

# Plastic and Reconstructive Surgery training preference guide

## RMO Campaign 2023

Selection to the SET program in Plastic and Reconstructive Surgery is administered by the [Australian Society of Plastic Surgeons](#), in conjunction with the [Royal Australasian College of Surgeons](#).

In Queensland, for an employment contract to be issued by your allocated training facility, applicants **MUST ALSO** submit an application via the [RMO Campaign portal](#). For further information on the individual facilities including contact details, please refer the [Participating hospital contacts and profiles](#) page on the RMO Campaign website.

## RMO application: Step 10 Preferences

At Step 10: Preferences of the online RMO application, to be considered you **MUST** complete your preference by selecting the following:

What is your first preferred facility? \*

College/Pathway/Network (Determined) ▼

What is your first preferred position? \*

Registrar ▼

What is your first preferred Specialty? \*

Surgery ▼

What is your first preferred Sub-Specialty? \*

Plastic Surgery ▼

As up to 5 preferences may be recorded as part of the application, it is recommended that applicants utilise a lower preference to indicate which positions they may be interested in if they are not selected to their preferred position. You can search for alternative vacancies by using the [Position search tool](#) on the RMO website.
