CLIENT SATISFACTION QUESTIONNAIRE

By completing this questionnaire you will be assisting Queensland Health to provide adequate and appropriate services for families who have a child with a developmental issue. In particular we are interested in your opinions about the care you have been receiving over the past year from this Child Development Service.

The questions on the following pages are based on what parents like you have told us about the way care is sometimes offered.

We would like you to indicate how much the event or situation happens (or does not happen) to you at this centre.

Completion of this survey is voluntary and confidential. We do not need to know your name or your child’s name.

INSTRUCTIONS FOR COMPLETING THE QUESTIONNAIRE

You are asked to answer each question by circling a number on a scale from 7 (To a very great extent) to 1 (Not at all) that best represents your experience at this centre.

The care that your and your child receives from this service may bring you into contact with many individuals. The questions on this form are grouped by who these contacts are, as described below:

1. **PEOPLE**: refers to those individuals who work directly with you or your child. These may include speech pathologists, occupational therapists or physiotherapists, etc.

2. **CENTRE**: refers to all staff from the centre, whether involved directly with your child or not. In addition to health care people they may include support staff such as office staff, etc.
SAMPLE QUESTION

The following is an example of the kind of questions you will be asked. This example also shows what your answer could mean.

Please indicate how much this event or situation happens to you.

<tr>
<th>TO WHAT EXTENT DO THE PEOPLE WHO GIVE YOU QUESTIONNAIRES ...</th>
<th>To a very great extent</th>

If you circled ’7’ (To a Great Extent) it means that people who give you questionnaires provide very clear instructions in what they ask you to do.

If you circled ’4’ (Sometimes) it means that people who give you questionnaires are clear in what they want you to do some of the time, and some of the time the instructions are not clear.

If you circled ’1’ (Never) it means that although you have received questionnaires, the instructions are never clear.

If you circled ’0’ (Not Applicable) it means that you have never received a questionnaire and so cannot answer the question. It does not apply to you.

We would now like you to think about your experiences over the last year with this Child Development Service. We are interested in your personal thoughts and would appreciate you completing this questionnaire on your own without discussing it with anyone.

THANK YOU FOR TAKING THE TIME TO ASSIST US WITH THIS SURVEY
