The Queensland Stay On Your Feet® Checklist was originally developed as part of the Quality Improvement and Enhancement Program's Falls Prevention for Public Hospitals and State Government Aged Care Facilities Project.

In 2008, the Checklist was updated by the Statewide Falls Injury Prevention Collaborative Education and Resource Working Group. The Working Group would like to thank the following people for their assistance with developing and reviewing the Checklist:

Queensland Government

- › Queensland Health
 - › Population Health project officers
 - › Nutrition and physical activity team, Healthy Living Branch
 - › Health professionals throughout Queensland
- › Home and Community Care (HACC)

Working groups

- › Injury Prevention / Safety Promotion Working Group Members
- › Safe Communities Senior Safety Group

External contributors

- › Council of the Ageing Queensland (COTAQ) peer educators
- › GPpartners
- › Members of the community
- › Optometrists Association Australia Qld/NT Division (Greg Johnson)
- › OzCare
- › Public Health Consulting (Louise Baldwin) for facilitating focus groups
- › Redcliffe Health Ageing Partnership members
- › Redcliffe Opportunities for Peoples Enhancement Assn. Inc. (ROPE)
- › School of Optometry, Queensland University of Technology (Professor Joanne Wood and Alex Black)
