

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

3.4. Accommodation Hub will be divided into Zones

- 3.4.1. The Accommodation Hub will have in place process to ensure that there is no contact between NRL Personnel and Accommodation Hub Staff.
- 3.4.2. The Accommodation Hub will be divided into three Zones for this purpose:
- a **CLEAN ZONE (Green Zone)** which may only be accessed by staff and security of the Accommodation Hub, and which must not be accessed by NRL Personnel;
 - b **TRANSITION ZONES** which shall be used to facilitate cross-over between CLEAN ZONES and DIRTY ZONES, for example to facilitate services to the NRL Personnel in the DIRTY ZONE without Accommodation Hub Staff entering the DIRTY ZONE;
 - c a quarantine, or **DIRTY ZONE (Red Zone)** which shall be accessible only by NRL Personnel.
- 3.4.3. An **ENTRY/EXIT POINT** where NRL Personnel may leave and re-enter the Quarantine Zone in order to travel to and from the Training Facility and Match-Day.
- 3.4.4. Each zone must be clearly signed and the routes taken need to be signed and clearly identified. There is to be no cross over of clean and dirty routes.

3.5. Clean Zone (Green)

- 3.5.1. The CLEAN ZONES are zones dedicated to Accommodation Hub Staff (for example, hotel administration and office areas, kitchens and back of house areas).
- 3.5.2. The routes linking CLEAN ZONES must be clearly identified and signed with no cross-over with DIRTY ZONES.
- 3.5.3. No NRL Personnel shall be admitted access to the CLEAN ZONE.
- 3.5.4. PPE is not required within the CLEAN ZONE.
- 3.5.5. Accommodation Hub Staff working in CLEAN ZONES should exercise hand sanitising and social distancing and workspaces should be wiped down and kept clean.

3.6. Dirty Zone (Red)

- 3.6.1. NRL Personnel's accommodation and training facilities will be contained within the DIRTY ZONE (Red).
- 3.6.2. DIRTY ZONES must be appropriate sign-posted.

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

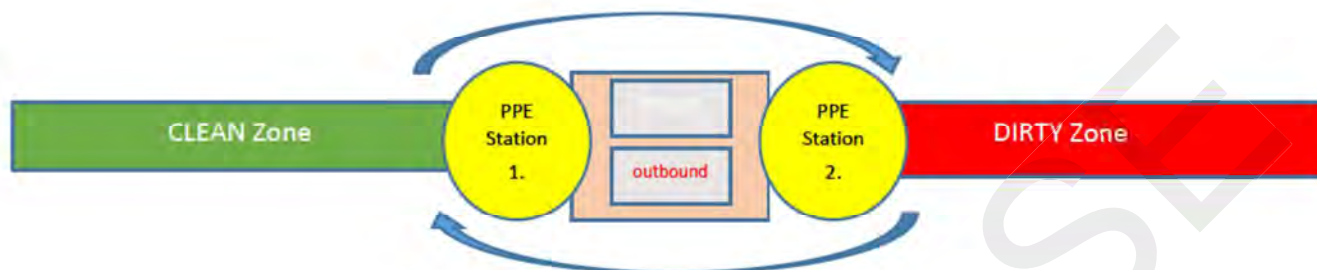

- 3.6.3. No Accommodation Hub Staff or other personnel may enter the DIRTY ZONE. No room service is available to rooms in the DIRTY ZONE – all deliveries must be picked up from dedicated TRANSITION ZONES.
- 3.6.4. PPE is not required for NRL Personnel in the DIRTY ZONE but personnel should practice good hand hygiene and socially distance where possible.
- 3.6.5. As a DIRTY ZONE where Accommodation Hub Staff are not permitted to enter, NRL Personnel will be responsible for keeping their areas and rooms clean and tidy, including the wiping down of tables following meal-time. No areas within a DIRTY ZONE will be cleaned by Accommodation Hub Staff during the quarantine period. Cleaning materials will be provided.
- 3.6.6. NRL Personnel will be accommodated within resort accommodation rooms within the red boundary line as indicated in the map at section 3.3 above.
- 3.6.7. NRL Personnel will have exclusive access to the following facilities in the DIRTY ZONE as indicated in red in section 3.3 above:
- a. Allocated team rooms;
 - b. NRL field;
 - c. AFL field;
 - d. Wandiny Room (gym conversion)
 - e. Swimming Pool
- 3.6.8. If in exceptional/emergency circumstances a member of the Accommodation Hub Staff or other person needs to enter a DIRTY ZONE or an interaction occurs with a member of NRL Personnel, the incident must be logged and the NRL Hub Co-Ordinator informed.

3.7. Transition Zones

- 3.7.1. TRANSITION ZONES are areas which can be accessed by NRL Personnel and Accommodation Hub Staff – although never at the same time. They can be used to facilitate services to NRL Personnel, such as the delivery of items for collection by NRL Personnel or collection of items by Accommodation Hub Staff.
- 3.7.2. TRANSITION ZONES will be clearly labelled and signed with an area roped off for inbound and outbound movements.
- 3.7.3. Accommodation Hub staff and security may only access TRANSITIONAL ZONES at times when no NRL Personnel are present and vice versa.
- 3.7.4. NRL Personnel will have access to the following facilities which are designated as a TRANSITIONAL ZONE as indicated in orange in the map at section 3.3:

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

- a. The service areas of the dining room (but not the dining areas which are to be part of the DIRTY ZONE).
- 3.7.5. TRANSITION ZONES may be used for the delivery of items (such as Uber Eats and linen drops etc) to NRL Personnel by leaving them in a designated zone for later collection by NRL Personnel.

- 3.7.6. NRL Personnel:
- entering a TRANSITION ZONE must sanitise hands and wear a surgical mask;
 - exiting a TRANSITION ZONE must sanitise hands, remove and dispose of the surgical mask in a general waste bin and re-sanitise hands.
- 3.7.7. Accommodation Hub Staff **must wear PPE** when in a TRANSITIONAL ZONE, being surgical flat mask and goggles. Where collecting a wheelie bin of waste from the DIRTY ZONE (through its placement in a TRANSITIONAL ZONE), a gown must be added to this PPE.
- 3.7.8. On exiting a TRANSITION ZONE, Accommodation Hub Staff must safely remove their PPE using the following method:
- Sanitise hands;
 - If wearing an apron – remove apron and place in the general waste bin;
 - Sanitise hands;
 - Remove goggles and clean them with a 2-in-1 disinfectant wipe, place in bin, place goggles in a clean area to take with you;
 - Sanitise hands;
 - Remove surgical mask and place in general waste bin;
 - Sanitise hands;
 - Always keep your cleaned goggles with you.

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

- 3.7.9. NRL Personnel and Accommodation Hub Staff must not be present in a TRANSITIONAL ZONE at the same time.
- 3.7.10. Facilities in the TRANSITIONAL ZONE will be cleaned by Accommodation Hub staff only at scheduled times when no NRL Personnel are present.

3.8. Common Space TRANSITION ZONES

- 3.8.1. Due to the open space layout of the Accommodation Hub's report grounds, the resort, in conjunction with the Sunshine Coast Public Health Unit, has designated spaces not indicated as CLEAN ZONES, DIRTY ZONES or dedicated TRANSITION ZONES as COMMON SPACE TRANSITION ZONES.
- 3.8.2. To prevent Accommodation Hub Staff and NRL Personnel coming into close contact, dedicated pathways around the resort have been allocated for use by NRL Personnel as indicated in yellow track in the map in section 3.3. Accommodation Hub Staff will be required to utilise the pathway as indicated in blue in the map in section 3.3
- 3.8.3. Within COMMON SPACE TRANSITION ZONES all Accommodation Hub Staff and NRL Personnel must wear a face mask and practice social distancing, ensuring at all times that Accommodation Hub Staff and NRL Personnel do not come within 2m of each other.
- 3.8.4. Accommodation Hub Staff:
 - a. Entering a COMMON SPACE TRANSITION ZONE must sanitise hands and wear a surgical mask;
 - b. Exiting a COMMON TRANSITION ZONE must sanitise hands and dispose of the surgical mask.

3.9. Entry/Exit Points

- 3.9.1. The Accommodation Hub will have an entry/exit point for NRL Personnel to enter and exit the DIRTY ZONE for attending the Training Facility and Match-Day (please refer to section 3.3).
- 3.9.2. NRL Personnel must wear face masks when entering or leaving the Accommodation Hub through the entry/exit point and when waiting for ground transport.

3.10. Arrival at Accommodation Hub

- 3.10.1. Arrivals by NRL Personnel at the Accommodation Hub should be managed to ensure that entry can be managed in a timely, orderly and co-ordinated approach whilst maintaining social distancing (1.5m).
- 3.10.2. NRL Personnel must wear a surgical mask on arrival at the Accommodation Hub.

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

- 3.10.3. NRL Personnel must manage their own luggage from ground transport into the Accommodation Hub.

3.11. QR Codes must be used by staff and contractors

- 3.11.1. All staff and contractors must use the QLD Check-In App when accessing the Accommodation Hub.

3.12. Lift & Access

- 3.12.1. Use of fire stairs is not permitted (This does not limit the use of the internal fire stairs in the event of an emergency evacuation or other similar critical event).

- 3.12.2. Designated lifts operated in accordance with the following:

- a. Separate lifts are designated for NRL Personnel (Red Zone lift) and Accommodation Hub Staff (Green Zone lift).
- b. Strictly managed in accordance with a lift schedule to ensure there is no contact between NRL Personnel and Accommodation Hub staff.
- c. Alcohol-based hand sanitiser must be stationed and readily available at each entry and exit to the lifts.
- d. All NRL Personnel must use alcohol-based hand sanitiser before and after use of the lifts.
- e. All NRL Personnel must wear a face mask whilst using the lifts.

- 3.12.3. Hand sanitiser stations located on each quarantine floor or accommodation block and periodically checked to ensure continuous supply available.

- 3.12.4. NRL Personnel's accommodation access cards are restricted to certain floors/rooms in accordance with the zones allocated above.

3.13. Hand-Sanitiser Stations & Hand Hygiene Notices

- 3.13.1. Hand sanitiser stations must be available:

- a. at all entry/exit points to the Accommodation Hub;
- b. on entry to all common/transitional areas;
- c. on tables in eating areas;
- d. in each lift foyer on each floor
- e. at all PPE stations.

- 3.13.2. Signs should be placed in prominent areas to remind all personnel how to

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

perform hand hygiene in common areas and bathrooms.

3.14. Access to gymnasium/pool facilities

- 3.14.1. Gym and pool facilities will be located within the DIRTY ZONE (Red) and are for the exclusive use of NRL Personnel.
- 3.14.2. Gym equipment is to be cleaned and disinfected before and after each use by the NRL Personnel using it.
- 3.14.3. There must be no use of the gyms or pool facilities by non-NRL Personnel at any time during the quarantine period.
- 3.14.4. Cleaning and disinfection is to be in-line with Queensland Health's advice.

3.15. Cleaning & Disinfection

- 3.15.1. 'Enhanced' cleaning and disinfecting for all common or public areas is to occur every 4 hours (twice per shift) during the core operational hours of 6am – 11pm. For example, the scheduling may involve a clean at 11am, 3pm, 7pm and during the overnight shift (between 11pm and 7am);
- 3.15.2. Hourly disinfection of all high touch points identified by the Resort in the key public areas within the transition zones (ie. reception desk, hand rails, business, Conference and Convention centres, luggage store rooms, pens, room key cards, clipboards, lobby, public bathrooms, F&B outlets during operating hours, elevator buttons, door handles etc.);
- 3.15.3. Communal equipment and surfaces – these are to be disinfected between users (i.e. after each use), including porters trolleys, electronic pay systems etc.; and
- 3.15.4. Immediate cleaning of any visibly dirty or soiled area, including spills, needs to be cleaned immediately.

3.16. PPE Stations

- 3.16.1. PPE application and removal stations for Accommodation Hub Staff must include:
 - a. Hand sanitiser;
 - b. 2-in-1 disinfectant wipes;
 - c. Eye protection goggles (individuals should label and keep these on them);
 - d. Surgical flat masks;
 - e. General waste bin (open style with bin liner)

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

3.16.2. PPE application and removal stations for NRL Personnel must include:

- a. Hand sanitiser;
- b. Surgical masks.

3.17. Balconies

3.17.1. NRL Personnel must not share items between balconies or receive items from non-NRL Personnel via balconies.

3.17.2. Balconies must not be climbed over.

3.17.3. Receipt of items via Drone is prohibited.

3.18. No Housekeeping services during quarantine period

3.18.1. Housekeeping staff will not service NRL Personnel's rooms.

3.18.2. NRL Personnel will be provided with access to cleaning products and materials, linen and other amenities sufficient for the duration of the quarantine period. These amenities will be accessed in the TRANSITION ZONE.

3.19. Waste Disposal

3.19.1. NRL Personnel will be provided with garbage bags in guest rooms. All food and general waste is to be placed in the waste bag and tied off and taken to the TRANSITION ZONE (outbound area) and placed in wheelie bins provided.

3.19.2. Waste disposal drop-off must only be done at the times indicated by Accommodation Hub Staff.

3.20. Linen

3.20.1. NRL Personnel will be provided with clean linen on set schedules throughout their stay in quarantine.

3.20.2. Linen will be delivered through the designated TRANSITION ZONE.

3.20.3. Used linen is to be placed in a bag provided, tied off and taken to the TRANSITION ZONE (outbound) at scheduled times and placed in a rigid walled linen trolley.

3.21. Laundry of Personal Items

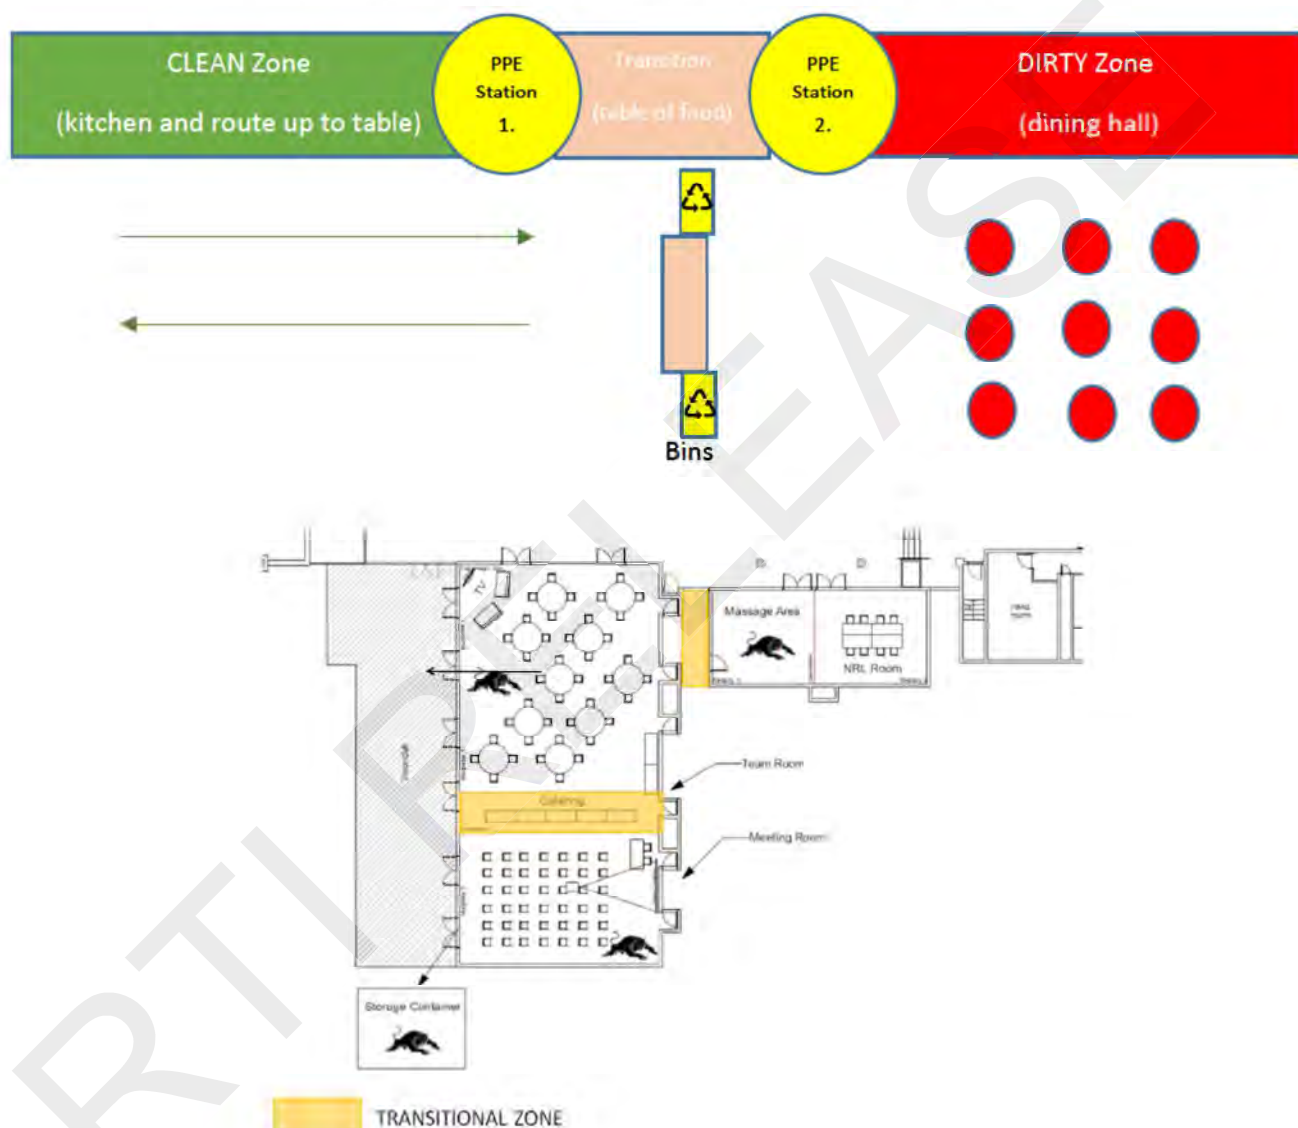

3.21.1. NRL Personnel may launder their own personal items within the DIRTY ZONE.

3.21.2. For laundering by the Accommodation Hub Staff, NRL Personnel must drop laundry in the designated TRANSITION ZONE in a labelled, dedicated bag to the transition zone and place in the hard-walled linen trolley indicated.

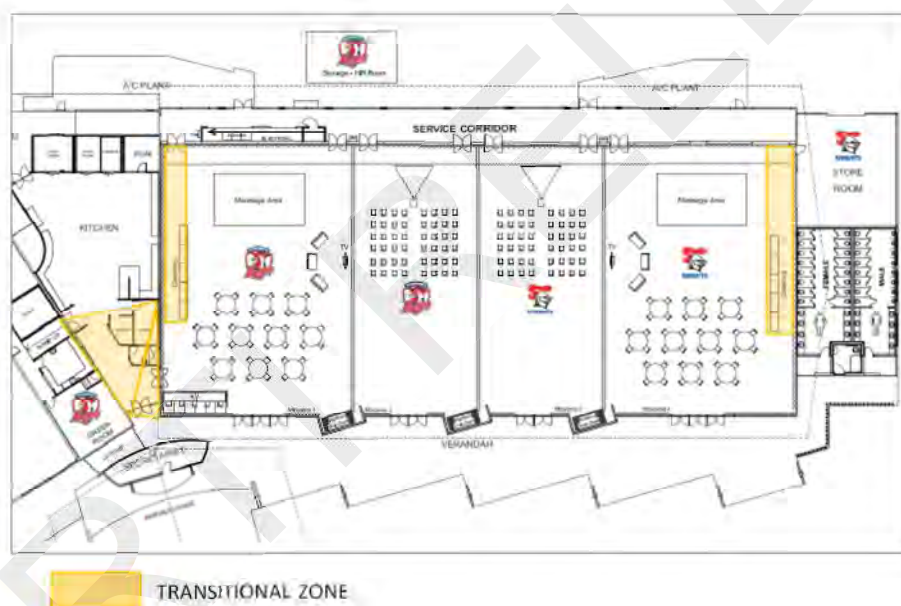

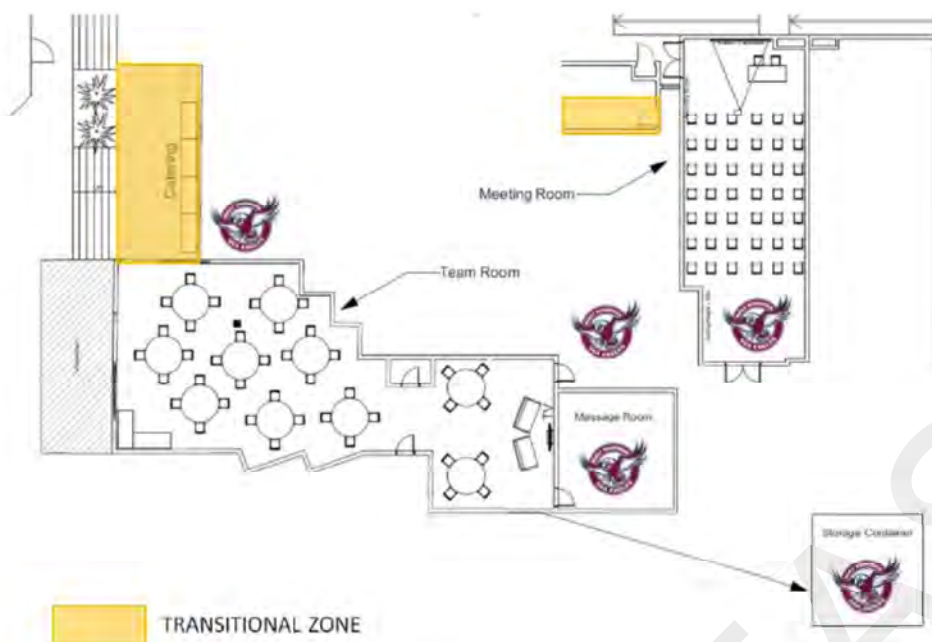

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

3.22. Food and Beverage

- 3.22.1. Food service will take place with service through a TRANSITION ZONE, with dining room to be conducted in the DIRTY ZONE.
- 3.22.2. Service of meals will utilise a contactless service approach whereby individual meals are prepared in advance and delivered to the TRANSITIONAL ZONE located within each team room (see below floor plans):

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

3.22.3. Meals will be:

- a. Prepared and served on disposable plates/cutlery and napkins;
- b. prepared and delivered to the dining facility in the dedicated TRANSITION ZONE at a scheduled time by Accommodation Hub staff when no NRL Personnel are present;

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

- c. Once meals are ready, Accommodation Hub Staff will leave the dining facility and NRL Personnel may attend to collect food and eat in the dining area;
- 3.22.4. Hand hygiene must be practiced before and after meals.
- 3.22.5. NRL Personnel will be responsible for cleaning their eating area and disposing of their meal afterward. All tables are to have a supply of hand sanitisers and 2-in-1 wipes to enable the tables to be wiped and cleaned by NRL Personnel. Wipes are to be placed in wheelie bins provided and hands sanitised following.
- 3.22.6. At no time may Accommodation Hub Staff have contact with NRL Personnel. Accommodation Hub Staff will communicate with NRL Personnel to co-ordinate collection/drop-off food timings to ensure no crossover occurs within the TRANSITIONAL ZONE.
- 3.22.7. Where a dining room is not in use, meals are provided in disposable containers with disposable knives and forks in a plastic bag that can be collected from the TRANSITION ZONE by the NRL Personnel as a set time. The same process is to be used for Uber Eats/food delivery services.
- 3.22.8. Disposable plates and crockery will be used in the dining area, with wheelie bins which will be lined, NRL Personnel are to dispose of their own food and disposable plates directly in the wheelie bin.
- 3.22.9. All tables are to have a supply of hand sanitisers and 2-1 wipes to enable the tables to be wiped and cleaned by the players and staff. Wipes placed in wheelie bin and hands sanitised.
- 3.22.10. Following the completion of the meal and after the NRL Personnel have left the area, Accommodation Hub Staff will attend the TRANSITION ZONE and remove remaining food items. Public Health will advise how to clean these food trays.
- 3.22.11. Accommodation Hub Staff must not clean or manage the dining area outside of the TRANSITION AREA and must not enter the DIRTY ZONE. Accommodation Hub Staff must only attend the TRANSITION AREA when NRL Personnel are not present.
- 3.22.12. The TRANSITION AREA for food service must be signed and attending Accommodation Hub Staff must wear PPE as outlined above for TRANSITION AREAS.
- 3.22.13. Wheelie bins in the TRANSITION AREA will be taken to back of house waste area by Accommodation Hub Staff, following which they will remove PPE in the back of house waste area (this area must also have a PPE removal station). The lift buttons should be wiped following removal of any waste. If returning with empty wheelie bins, Accommodation Hub Staff should follow normal access to TRANSITION ZONE process.

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

3.23. Induction of Accommodation Hub Staff

- 3.23.1. Accor must provide Accommodation Hub Staff with appropriate induction to ensure that they understand and are able to comply with:
- a. this Management Plan;
 - b. such other policies and procedures implemented by Accor to protect the health and safety of its employees, contractors and guests.

3.24. Testing of Accommodation Hub Staff

- 3.24.1. The following Staff and Security at the Accommodation Hub are Quarantine Facility Workers for the purposes of Queensland Health and are subject to the requirements listed in the Quarantine Facility Workers Direction.
- 3.24.2. A Quarantine Facility Worker who is vaccinated or who has started the vaccination process is to:
- a. be tested for COVID-19 with an oropharyngeal and deep nasal swab and screened for COVID-19 with a saliva collection test within seven days after first commencing work at an identified quarantine facility or within seven days after a facility becomes an identified facility; and
 - b. continue to have a saliva collection test for each shift worked at the identified quarantine facility, which can be conducted before, during the course of, or after, each shift. If a saliva collection test is not made available to the worker before, during or after their shift, the worker must contact the Venue Manager or Health Manager of the identified quarantine facility to discuss how to access a make-up test; and
 - c. if away for 7 days or more, use best endeavours to be tested for COVID-19 with an oropharyngeal and deep nasal swab at least every 7 days while away until 14 days have passed since the worker was last present at the identified quarantine facility.

3.25. Maintenance Staff

- 3.25.1. Maintenance to guest rooms in the DIRTY ZONE will be limited to exceptional circumstances.
- 3.25.2. If a contractor is required to enter beyond the TRANSITION ZONE they will be required to be briefed by the PHU. They will need to wear as a minimum a surgical flat mask on exiting the transition zone and goggles and practice hand sanitising. All PPE must be removed on exiting the DIRTY ZONE and entering the TRANSITION ZONE. Rooms must be vacant whilst serviced.
- 3.25.3. It is recommended that all maintenance staff utilise the blue pathway indicated in the map in section 3.3 to access resort facilities, limiting the likelihood of contact with any NRL Personnel.

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

- 3.25.4. Any entry to the DIRTY ZONE by Accommodation Hub Staff or contractors, and/or any accidental interactions with NRL Personnel must be logged by the Accommodation Hub Staff for contact tracing purposes.
- 3.25.5. Pool testing will be conducted by Accommodation Hub Staff out of hours and when the swimming pool is out of bounds to the NRL teams, as co-ordinated through the team's schedule. A log will be recorded by the Accommodation Hub Staff for all access into the swimming pool area.

4. Daily Screening & Management of Suspected COVID-19 Cases – NRL Personnel

4.1. NRL Apollo Protocols

- 4.1.1. Daily screening of NRL Personnel and managed of suspected COVID-19 cases will be managed as set out in the NRL Apollo Protocol.

4.2. Immediate Reporting for illness/COVID-19 symptoms

- 4.2.1. Any member of NRL Personnel who becomes sick or experiences any of the below symptoms must isolate themselves in their accommodation in the Accommodation Hub and **immediately contact the NRL Hub Co-ordinator** and follow their instructions:
 - a. a cough
 - b. a sore throat
 - c. a tickle in your throat or a scratchy throat
 - d. a runny nose
 - e. any shortness of breath or difficulty breathing;
 - f. any pain on swallowing
 - g. any chills
 - h. any generalised muscle aches or pain which you haven't had before
 - i. any headache
 - j. any loss of taste or smell
 - k. any gastro symptoms (off food, vomiting, diarrhoea, stomach cramps)
 - l. any other symptom listed in the Daily Health Confirmation (see below).

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

- m. a fever; any temperature recorded above 37.2 degrees (i.e. 37.3 and higher)
- 4.2.2. The NRL Hub Co-ordinator must be contacted immediately if **any member of an NRL Personnel's household** (even where those persons did not travel to Queensland as part of the family arrangements) experience symptoms or become sick as per 4.2.1.
- 4.2.3. The NRL Hub Co-ordinator must be contacted immediately if a non-residing partner, or any member of the NRL Personnel's household experiences symptoms or become sick (even where those persons did not travel to Queensland as part of family arrangements).
- 4.2.4. In any case where the NRL Hub Co-ordinator is advised under this Rule, they must:
- a. Immediately inform NRL Apollo, the NRL Independent Medical Officer, the individual's Club Medical Officer and the on-site NRL Shared Medical Resource;
 - b. immediately send the Player/Club Official for COVID-19 testing (within 24hours) in a manner approved by NRL Apollo and immediately isolate the individual in their accommodation room until a negative COVID-19 result is obtained (at this time only one negative test is required), and symptoms have resolved, or
 - c. if a household member/recent contact is involved, liaise with NRL Apollo to organise testing for them (household member/recent contact) subject to their consent within 48 hours and receive the result within 72 hours of symptom onset, otherwise the Player /Club Official must be isolated and NRL Medical notified and the NRL Independent Medical Officer consulted on a course of action (note: if the result is COVID-19 positive then the Player/Club Official must also be immediately isolated and NRL Medical/the NRL Independent Medical officer notified immediately), and
 - d. notify NRL Medical/ NRL Independent Medical Officer immediately of all results of testing prior to the individual being released from isolation.
- 4.2.5. Any time that an individual is isolated in their room they are to have no interaction with other NRL Personnel (excepting medical staff). Food and items are to be left at their door by other NRL Personnel and no items are to leave the guest room.
- 4.2.6. If a lock-down of the Accommodation Hub is required, the NRL Hub Co-ordinator will work with NRL Apollo and Queensland Health regarding processes.

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

4.3. Daily Health Confirmation

- 4.3.1. All NRL Personnel must complete a Daily Health Confirmation no later than 2pm. The confirmation must be made using the NRL Check-Up App. It must be checked by the Club's Covid Co-ordinator at a regular, arranged time each day, upon each entry to the NRL Training Facility and before transport to matches. A permanent record of this submission for all NRL Personnel will be kept by the NRL, and accessible to the NRL Independent Medical Officer.
- 4.3.2. As part of the Daily Health Confirmation, each NRL Personnel must:
- Declare whether they have experienced any of defined range of COVID-19 related symptoms in the past 24 hours, including fevers, respiratory or gastrointestinal symptoms;
 - Provide a temperature reading using an approved or provided thermometer;
 - Declare whether any member of the NRL Personnel's household has been sick, or experienced symptoms or an elevated temperature, in the last 24 hours.
- 4.3.3. The Daily Health Confirmation must be completed submitted at the time notified by NRL Apollo.

5. Training Facility

5.1. NRL Training Facility

- 5.1.1. NRL will allocate each Club a dedicated training facility for the exclusive use of the Club quarantining at the Accommodation Hub during allocated training periods (the **Training Facility**). The Training Facility forms part of the NRL Hub.
- 5.1.2. The Training Facility located on-site at the Accommodation Hub is located as below:

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

- 5.1.3. Training (including recovery sessions) must only occur within the Training Facility and at the times allocated by NRL.
- 5.1.4. Training in public areas such as beaches, outdoor grassed, adventurous or open areas **is not permitted**.
- 5.1.5. Access to the Training Facility will be limited to NRL Personnel. Training facilities must be secure to prevent unauthorised personnel entering the Facility.
- 5.1.6. Team rooms and common areas within the Training Facility will have hand washing facilities (water and soap) or hand sanitiser available (hand washing facilities are preferred).
- 5.1.7. A list of the Training Facilities and maps showing the entry and exit points appears in the Appendix.

5.2. Single Access Point to Training Facility (Assessment Point)

- 5.2.1. The Training Facility will be accessible by a single entry point only.

5.3. Procedure for Entry to Training Facility

- 5.3.1. NRL Personnel must be assessed at the Accommodation Hub before being permitted to be transported to the Training Facility (or attending the Training

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

Facility if it is on-site).

5.3.2. NRL Personnel must undergo an admission assessment, under which they must:

- a. Confirm that neither they (nor to their knowledge any member of their household) have experienced any of the specified symptoms in the preceding 24 hours;
- b. Confirm that they have observed the NRL Hub requirements and other protocols, including checking that the NRL Check-up App Daily Health Confirmation has been completed;
- c. Submit to and pass an individual temperature check (administered in accordance with instructions from the Chief Club Medical Officer) which records a temperature of 37.2c or less;
- d. Declare whether they have travelled overseas or been within a COVID-19 hotspot or visited a designated exposure site (either as advised by public health authorities or by the NRL) within the last 14 days;
- e. Declare whether they are positive for COVID-19 to their knowledge; and
- f. Declare if they have been in close contact with a person who is positive for COVID-19 to the best of their knowledge.

5.3.3. NRL Personnel who pass these requirements will be granted access to the Training Facility.

5.4. Where an individual does not pass admission assessment

5.4.1. There may be many reasons why an individual does not initially meet the requirements of the admission assessment. This does not mean that the individual is suspected to have contracted COVID-19 or is considered a significant risk, but rather that further assessment is required.

5.4.2. The procedure for managing individuals who do not meet the criteria for immediate entry to the Training Facility is as follows:

- a. **Individuals recording a temperature of between 37.3c and 37.4c** must be directed to move to a designated safe area where they are isolated from others for 15 minutes.

At the expiry of the 15 minute period the individual must be temperature tested again.

- b. **If the result is replicated in the range of 37.3c and 37.4c, the individual may NOT be admitted to the Training Facility but must immediately return to their accommodation at the NRL Hub and self-isolate.** The Club must temperature the individual again in 24 hours – regardless of

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

whether training is schedule within that period. If the individual's temperature is 37.2c the Club should monitor the individual but no further action is required.

Individuals whose temperature records as 37.2c or less may be admitted to the NRL Training Facility as per normal procedures.

- c. **Individuals recording a temperature of 37.5c or above**, either initially or following a re-test, must be denied access to the NRL Training Facility and immediately contact the NRL Hub Co-ordinator to arrange assessment in accordance with the procedure set by the Chair of the NRL Medical Advisory Panel. The NRL Hub Co-ordinator will also notify the NRL Independent Medical Officer.
- d. **Individuals who report symptoms personally or within their household**, or otherwise report non-compliance with home isolation must be immediately sent to off-site assessment.

5.5. Assessment

- 5.5.1. Any individual who is referred for assessment must go directly to their room in the Accommodation Hub and remain isolated until they have successfully completed the assessment process and any associated testing. The NRL Hub Co-ordinator will liaise with the individual and his/her Club concerning arrangements.
- 5.5.2. Where the assessment of an individual includes testing for COVID-19, the individual must self-isolate in their accommodation in the NRL Hub until cleared by the NRL Independent Medical Officer through NRL Apollo.

5.6. Cleaning Requirements for Training Facility

- 5.6.1. All areas of the NRL Training Facility will be cleaned and disinfected daily.
- 5.6.2. Cleaning staff/services will conduct this work outside of training hours (i.e. when no NRL Personnel are present. Cleaning staff requiring access to the Training Facility must not have any symptoms of COVID 19 in the preceding 24 hours.
- 5.6.3. Particular care must be taken with gym equipment and other shared surfaces.
- 5.6.4. NRL Personnel must not share clothing or towels. All clothing and towels must be treated as single-use and washed after use in accordance with requirements advised by the Chair of the NRL Medical Advisory Panel.
- 5.6.5. Cleaning must be conducted in accordance with Queensland Health's COVID-19 cleaning, disinfection and waste policy.

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

5.7. NRL Apollo Protocols

- 5.7.1. Further procedures for the Training Facility are set out in the NRL Apollo Protocol .

6. Transportation

6.1. Air Travel to State of Queensland

- 6.1.1. It is required that before departure:
- a. NRL Personnel be tested for COVID-19 using a nasal and throat swab and return a negative PCR test result within 72 hours prior to arrival in Queensland;
 - b. Results of the pre-departure COVID-19 PCR test results are provided to Queensland Health, prior to departure.
 - c. Each quarantined person will self-isolate until departure for Queensland to limit potential exposure.
- 6.1.2. During transit to Queensland:
- a. Face masks are mandatory in Australian airports (indoors and outdoors), on commercial flights and on international flights travelling to Australia.
 - b. All NRL Personnel must practice physical distancing to the extent reasonably practicable, and practice good hand and respiratory hygiene.
 - c. It will be recommended that NRL Personnel has access to a personal alcohol-based hand sanitiser for their use during travel.
- 6.1.3. Upon arrival in Queensland:
- a. On disembarking the flight, NRL Personnel may be subject to a health assessment. If any person who is symptomatic on arrival this will be managed according to the health procedures in place at the border.
 - b. Upon satisfactory completion of border entry, quarantined persons will move to the arrival hall to collect their luggage and are to maintain physical distancing.

6.2. Ground Travel

- 6.2.1. Transport between the Accommodation Hub and Training Facility will be by private coach provided by a QLD Health approved provider.
- 6.2.2. Transport providers are not permitted to assist NRL Personnel with loading or

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

unloading luggage or equipment.

6.2.3. When travelling:

- a. at all times, NRL Personnel and the transport provider must wear a face mask and practice hand hygiene before and after entering the vehicle.
- b. once all NRL Personnel have disembarked the transport vehicle, the vehicle is to be cleaned and disinfected.
- c. there must be at least 1.5m distance between the driver and passengers at all times. It is recommended the driver enter the bus last and exit the bus first to avoid any close contact with the passengers.
- d. windows must be open (where practicable).

6.3. Testing of transport providers

6.3.1. Where designated a quarantine facility worker, staff must follow the requirements listed in the COVID-19 Testing for Quarantine Facility Workers Direction.

7. Security

7.1. CCTV

7.1.1. The Accommodation Hub has CCTV coverage in place.

7.2. Security Co-ordinator Contact Details

7.2.1. The Accommodation Hub's Security Co-ordinator can be contacted using the following:

Name:	[REDACTED]

7.4. Accreditation of Security Staff

- 7.4.1. Security staff are required to have undertaken infection control training prior to commencing work at the Accommodation Hub.

7.5. Training of Security Staff

- 7.5.1. Security Staff will be inducted by the Accommodation Hub management on this Management Plan, the NRL's Apollo Protocols and other relevant requirements.

7.6. Perimeter Security – Fencing and Patrols

- 7.6.1. A plan of the perimeter of DIRTY ZONES and TRANSITION ZONES appears at section 3.3.
- 7.6.2. The perimeter will be patrolled by security 24 hours a day.

7.7. Access to Accommodation Hub

- 7.7.1. Access to the Accommodation Hub will be limited to Accommodation Hub Staff and NRL Personnel.
- 7.7.2. Only NRL Personnel shall have access to the DIRTY ZONE within the Accommodation Hub.
- 7.7.3. Deliveries to the Accommodation Hub will be received in a manner which minimises access of delivery workers to the venue.

7.8. Deliveries

- 7.8.1. All deliveries (for example, Uber Eats and other items) must be delivered to the front door of the Accommodation Hub. No members of the community or other persons are to enter the Accommodation Hub premises.
- 7.8.2. Collection of items will be managed by a contactless method - this can be undertaken by Accommodation Hub Staff by collecting the items from the front door (CLEAN ZONE) and placing the items in the designated TRANSITION ZONE area for collection.

8. Emergency Response

8.1. Emergency Evacuation

- 8.1.1. In the event of an evacuation, all quarantined persons must wear a face mask and carry a copy of their quarantine direction. They must practice physical distancing to the extent possible.

NRL Hubs – Quarantine Accommodation & Training Facility Management Plan

8.1.2. In the event of an emergency (medical or otherwise), establish a process to notify the attending emergency personnel that affected persons are in quarantine.

8.1.3. The Accommodation Hub's Chief Fire Warden is to lead fire evacuations.

8.2. Medical Emergency

8.2.1. In the event of emergency call QAS and advise of the emergency and that the location is in a quarantine hotel.
