

Indigenous Respiratory Outreach Care (IROC)

# IROC Clinic

**It's not normal to:**  
Cough a lot  
Have short wind

**Always have a runny nose - if it's green its gotta be seen**

## ***Come see the IROC Team!***

Queensland Health working in partnership with Aboriginal Medical Services

Government**

### **IROC**

Indigenous Respiratory Outreach Care

Queensland  
Government

*If you cough a lot or your nose is runny  
If you have short wind, then it really isn't funny...  
If on top of this, your spit is green  
Then come along, you gotta be seen*
