

Our vision *Caring for our communities - healthier together*

Our values

COMPASSION

INTEGRITY

DIGNITY

INNOVATION

COURAGE

Guiding principles

We engage with others and demonstrate empathy, care, kindness, support and understanding

We are open, honest, approachable, equitable and consistent in everything we do

We treat others with respect, display reasonableness and take pride in what we do

We embrace change and strive to know more, learn more and do better

We respectfully question for clarity and have the strength and confidence to Speak Up

Key behaviours

- Caring for ourselves and those around us
- Showing kindness, support and concern for the health and wellbeing of others
- Demonstrating understanding, empathy and a desire to help.

- Building trusting and sincere relationships by being open, honest and fair in all we do
- Being accountable for the safety and wellbeing of ourselves and others
- Being consistent and following through on commitments.

- Respecting and acknowledging the worth and dignity of others
- Demonstrating pride, diligence and excellence in what we do
- Being reasonable in decision-making and communicating well.

- Using initiative and fresh thinking to introduce better ways of doing things
- Having a positive, 'solutions focussed' approach
- Recognising where change is needed and collaborating for improved outcomes.

- Modelling safe and ethical behaviour
- Having strength to question and take action to ensure the safety and wellbeing of others.
- Being open to feedback and the perspectives of others.
