

Immunisation Program Update

ORDERS NOW OPEN: COVID-19 VACCINE TRANSITION TO THE NIP

14 September 2026

Dear Immunisation Service Provider

COVID-19 vaccines will transition from the National COVID-19 Vaccine Program to the National Immunisation Program (NIP) from **1 October 2026**.

From today, Monday 14 September 2026, providers can place orders for NIP-funded COVID-19 vaccines through the Queensland Health Immunisation Program as part of routine fortnightly orders.

Updated order forms have been made available on the Queensland Health website: [Order, store and manage immunisation medicines | Queensland Health](#).

Queensland Health webpages, clinical resources and provider information will be progressively updated in the coming weeks to support the transition on 1 October 2026.

For further information on the transition please visit [COVID-19 vaccine transition to the National Immunisation Program](#) and view the [ATAGI Statement on the Transition of COVID-19 Vaccines to the National Immunisation Program](#).

Kind regards

Queensland Health Immunisation Program
