## RMO Campaign 2023

In Queensland, Directors of Hospital and Health Services in conjunction with the Queensland Branch Training Committee (QBTC) and Office of Postgraduate Training in Psychiatry (PGT) oversee Psychiatry training rotation placements into Queensland facilities, and successful completion of the program allows trainees eligibility to become [Fellows of the Royal Australian and New Zealand College of Psychiatrists](#) RANZCP (FRANZCP).

New and continuing trainees applying to the Psychiatry Training Program MUST refer to the [Queensland Psychiatry Training Program](#) webpage prior to submitting an application through the RMO campaign.
