

Respiratory Medicine training preference guide

RMO Campaign 2023

All Respiratory advanced training positions are managed centrally through the **Queensland Respiratory Medicine Advanced Training Pathway**. For eligibility, accredited training facilities and contact details refer to the [Queensland Respiratory Medicine Advanced Training Pathway](#) webpage. The Respiratory Medicine Advanced Trainee is a trainee registrar of the Royal Australasian College of Physicians (RACP). For more information, refer to the [RACP](#) website.

Current Queensland trainees and new applicants interested in applying for a training position should complete the **'Queensland Respiratory Medicine Advanced Training Pathway'** section within the online RMO application.

Queensland Respiratory Medicine Advanced Training Pathway

Are you applying for a position on the **Queensland Respiratory Medicine Advanced Training Pathway**?

Please visit the [Queensland Respiratory Medicine Advanced Training pathway](#)  webpage for specific and important information on applying for a position. *

Yes

No

Training facility preferences

Once you have nominated **YES** and complete the subsequent questions, you will be asked to preference the 10 facilities in order of personal preference from 1 to 10: (refer to the **Respiratory Medicine training sites and contact details document** for position numbers and site contact details.)

Cairns Hospital	Mater Brisbane	The Prince Charles Hospital
Gold Coast University Hospital	Princess Alexandra Hospital	Townsville University Hospital
Greenslopes Private Hospital	Royal Brisbane and Women's Hospital	
Logan Hospital	Sunshine Coast University Hospital	

Indicate the facilities you would like to apply to, in order of personal interest. *Only preference facilities where you would accept a position, if offered. Please note that trainees are expected to spend 1 year in a single trainee centre and 1 year in a multi-trainee centre.*

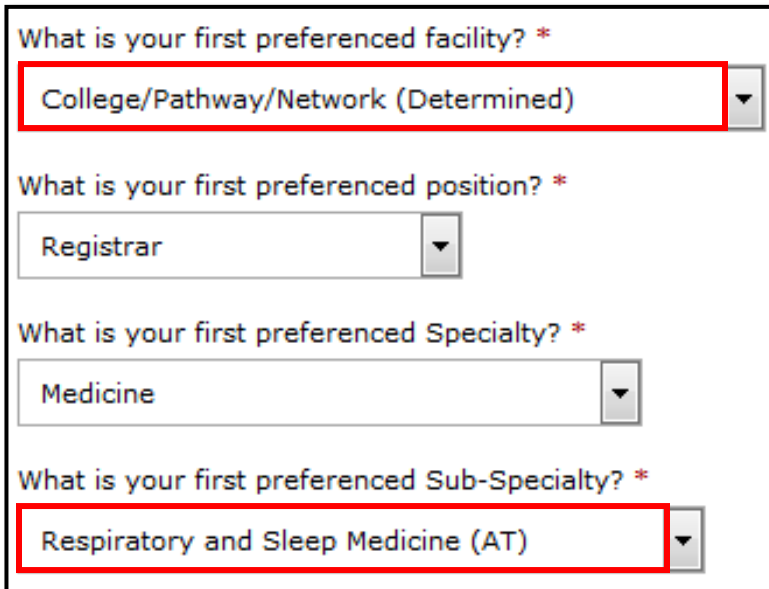

Please indicate your first preference training facility:
Preferences indicated DO NOT guarantee you an allocated position to the hospital of your choice.
 *

--Please Select-- 

RMO application: Step 10 Preferences

To be **considered** for a position on the **Queensland Respiratory Medicine Advanced Training Pathway**, in the main **'Preferences'** section of the online RMO application you **MUST** complete your first preference as follows:

The screenshot shows a form with four dropdown menus, each with a red box around the selected option:

- What is your first preferred facility? *
College/Pathway/Network (Determined)
- What is your first preferred position? *
Registrar
- What is your first preferred Specialty? *
Medicine
- What is your first preferred Sub-Specialty? *
Respiratory and Sleep Medicine (AT)

Note: the selection panel will not consider applications where Respiratory and Sleep Medicine (AT) is not nominated as the first Sub-Specialty preference.

As up to 5 preferences may be recorded as part of the application, it is recommended that applicants utilise a lower preference to indicate which positions they may be interested in if they are not selected onto the training pathway. You can search for alternative vacancies by using the [Position search tool](#) on the RMO website.

For further information on the individual hospitals including contact details, please consult the [Participating hospital contacts and profiles](#) page on the RMO Campaign website.
