\* Meets the educational standards for Operating Theatre Assistants/Theatre Wardspersons, however does not meet the educational standards for Anaesthetic Technicians for the purpose of accessing the Operational Officer Targeted Training Allowance.

^ For the purposes of accessing the targeted training allowance only, this qualification is equivalent to an AQF Certificate III.

# A state-wide determination has been made that for OO2 employees participating on code black response teams this certificate will be considered relevant for the purposes of accessing the targeting training allowance (as per clause 8.2 of this policy). Where an OO2 employee ceases to participate on code black response teams, access to the allowance should be reviewed to determine whether the certificate is relevant to the employee's current position. Line managers are responsible for monitoring an employee's continuing eligibility. It should be noted that the employee is responsible for ensuring the Certificate III remains current, including
