

Queensland General Paediatric Advanced Training Network

Preference guide for new applicants and current network advanced trainees

New applicants interested in the two-year **Queensland General Paediatric Advanced Training Network** and current network advanced trainees are advised to select **Yes** to the RMO Campaign network question 'Are you applying for a general paediatric advanced training position through the Queensland General Paediatric Advanced Training Network?' and complete all subsequent questions.

New applicants

Step 7: Network rotation preferences - Indicate your first and second preference for a general paediatric advanced training **rotation** as follows:

Please indicate your **first preference** for a general paediatric advanced training rotation: *

-- Please Select --

Please indicate your **second preference** for a general paediatric advanced training rotation: *

-- Please Select --

--Please Select--

- Gold Coast University Hospital Rotation
- Queensland Children's Hospital Rotation
- Townsville University Hospital Rotation

New applicants and current network advanced trainees

Step 10: RMO Campaign 'Preferences' section – Complete your **first preference** as follows:

- Facility – College/Pathway/Network (Determined)
- Position – Registrar
- Speciality – Paediatrics
- Sub-specialty – General Paediatrics (AT)

Use preferences 2–5 to apply for alternate positions in the event you are not selected to the network. Refer to the *RMO available positions search tool* www.health.qld.gov.au/employment/work-for-us/clinical/medical/recruitment/rmo/positions to preference positions (including sub-specialty). You can only select positions made available by facilities.

For further information refer to the network webpage www.health.qld.gov.au/employment/work-for-us/clinical/medical/recruitment/training/advanced-paediatric
