

# Healthier food and drinks supply (A Better Choice)

Department of Health Policy  
QH-POL-473:2019

## 1. Statement

The Department of Health (the Department) is committed to ensuring healthier food and drinks are readily available and actively promoted in facilities occupied by Department of Health employees.

## 2. Purpose

The intent of this policy is to:

- Contribute to demonstrating and delivering Queensland Health's leadership role in keeping Queenslanders healthy.
- Establish the Department as a place where staff and visitors are encouraged and supported to make choices that promote health and wellbeing.
- Enable consistency in the sale, provision, promotion and advertising of healthier food and drinks across all Departmental facilities.

## 3. Scope

This policy applies to all employees, contractors and consultants within the Departmental divisions and business units who are responsible for providing and promoting food and drinks through:

- vending machines;
- food retail outlets<sup>1</sup> (such as restaurants, cafes, canteens, kiosks, coffee carts, tea trolleys);
- other retail outlets<sup>1</sup> that sell food (such as convenience stores, newsagents, post offices, florists, pharmacies);
- catering provided by the Department of Health in all settings, and by external agencies within Department of Health facilities;
- fundraising (including staff social clubs), promotional and sponsorship activities; and
- communal staff areas and private selling within workplaces.

This policy does not apply to food and drinks that staff and visitors bring from outside the facility for their own personal consumption.

## 4. Principles

- **Leadership** – the Department has a responsibility in modelling workplace environments that support healthier choices.
- **Quality** – to support the delivery of Department policies, programs and services that promote health and wellbeing.
- **Compliance** – the provision of food and drinks in Departmental facilities complies with the A Better Choice Drinks Classification Guide and A Better Choice Food Classification Guide.
- **Alignment** – with the Department's commitment to ensuring and improving the health, safety and wellbeing of its workers and all Queenslanders.

---

<sup>1</sup> Located within Government owned or occupied buildings with lease agreements or contracts managed by the Department of Health or Queensland Government.

- **Consistency** – with the *Australian Dietary Guidelines*<sup>2</sup> that recommend enjoying a wide variety of nutritious foods and drinking plenty of water, while limiting intake of food and drinks containing saturated fat, added sugars, added salt and alcohol.

## 5. Requirements

- 5.1 **Healthier (GREEN) food and drink choices are available and promoted, consistent with the A Better Choice Strategy and the *Australian Dietary Guidelines*.**
- 5.2 **Limit the availability and promotion of unhealthy (RED) food.**
- 5.3 **Encourage water as the drink of choice and ensure free drinking water is readily available.**
- 5.4 **Do not sell or provide unhealthy (RED) drinks.**
- 5.5 **Provide serving sizes that are consistent with the *Australian Dietary Guidelines* recommendations.**
- 5.6 **Monitor compliance of these requirements at least annually, according to the Standard.**
