Session 2: Advanced Training - 6.15pm to 7.00pm

[Click here to register](#)

Zoom details will be forwarded to you once you have registered

Please note due to limited capacity priority will be given to those looking to commence training in 2023

Who should dial in?

- All medical officers who are planning to commence paediatric training in 2023
- Paediatric registrars who are intending to apply for the General Paediatric Advanced Training Network
- Paediatric registrars who are intending to apply for the Neonatal and Perinatal Medicine Advanced Training Network
- Junior doctors who are considering a career as a paediatrician.

Why?

The evening will provide:

- An overview of the network and educational programs
- Practical information on how to apply
- The opportunity to engage in a live chat Q & A as part of the session.
