

Report of the Chief Health Officer 2020

Errata¹

- **Figure 2.1 correction, page 6.** Labels for the LOTE population and those born overseas were in the incorrect order. The correct proportion for LOTE was 14% and 22% for those born overseas.
- **Figure 2.1 correction, page 6.** Rounding errors were noted for HHS proportions. The correct proportions are: Cairns and Hinterland (5), Central Queensland (4), Gold Coast (12), Metro North (20), Metro South (23) and Wide Bay (4).
- **Figure 2.2, page 6.** The x axis and title year span was corrected from 2004–2026 to 2002–2026.
- **Page 14, 2nd column, paragraph 2, line 2.** The wording “born in 2015-2017” has been removed.
- **Table 3.2, page 17.** Clarification of the estimated deaths column has been provided as a footnote to the table.
- **Page 18, first column, paragraph 3, line 4.** “in Queensland” has been removed.
- **Figure 3.6, page 21.** Footnote added to clarify that hospitalisations exclude 83831 episodes for non-Queensland residents.
- **Page 22, 1st column, paragraph 1, line 2.** “Excluding admissions to public psychiatric hospitals, in 2018-19” has been added to the beginning of the sentence.
- **Figure 3.11, page 25.** The labels/colours for 2 lines were incorrect. Changes were applied to the 0-14 age group and the 65+ age group.
- **Page 26, 1st column, paragraph 1, line 10.** “across Queensland” amended to “QCHHS facilities”
- **Page 26, 1st column, paragraph 2, line 1.** The “a further” were removed and “(44% were aged 0 - 14 years)” was added after the word “admissions”
- **Page 29, Table 3.16.** The table presents 5 years of deaths, not a single year as indicated by the title in the original version. The correct title is “Leading causes of death, Queensland, 2014–2018”
- **Page 30, 2nd column, paragraph 1, line 2.** “3-year average” was inserted before “death”
- **Page 30, 2nd column, paragraph 1, line 2.** The words “single year” were added before the word “deaths”
- **Page 32 (call out box at top of page).** Amended from “...teenage pregnancies...” to “... teenagers giving birth...” (edited for clarity)
- **Page 35, At a glance, line 1.** 77% of Queenslanders changed to 77% of Australians.
- **Page 42, Figure 3.22.** Title amended to “Estimates of frailty prevalence, Australia, 2011, 2016 and 2027”

¹ Reflects changes between online and print versions

- **Page 43, second column, paragraph 1.** Wording replaced with “From 2015 to 2017, there was an annual average of 1750 incident cases of cancer in Aboriginal and Torres Strait Islander people living in Queensland. The average annual age-standardised rate was 588 cases per 100,000 persons.¹⁸”
- **Page 44, Table 3.24.** Table amended to reflect that data for Persons, Males, Females and age groups are for the 2017 year only and that the remainder of the table are average annual rates for 2015-2017
- **Page 47, 1st column, paragraph 1, line 2.** “Children aged less than five years” was amended to “adults aged 85-years and older”
- **Page 47, 1st column, paragraph 7, line 4.** The year 2016 was replaced with 2014
- **Page 49, Figure 3.27. Figure title.** The correct dates are 1 January 2019 to 8 August 2020
- **Page 51, Figure 3.29.** Title was changed to ““Hospitalisation rates¹ for all injury and poisoning (187,408),² Queensland, 2018-19” and a footnote added.
- **Page 57, Figure 3.35.** A “***” was added to the label for South West HHS and a footnote added “***Data have a high margin of error and should be interpreted with caution

Citation/numbering errors

- **Page 26, table 3.14.** The reference in the table title was changed from 112 to 113
- **Page 29, 2nd paragraph at top of page, 4th line:** Reference 115 in the original version amended to * with correct reference provided as a footnote at the bottom of page 29. The correct reference is: “Australian Institute of Health and Welfare. MORT (Mortality Over Regions and Time) books: State and territory, 2014–2018. 2020. Canberra: AIHW.”
- **Page 29, Table 3.16.** reference 115 amended to *. The correct reference is provided as a footnote at the bottom of page 29. The correct reference is: “Australian Institute of Health and Welfare. MORT (Mortality Over Regions and Time) books: State and territory, 2014–2018. 2020. Canberra: AIHW.”
- **Page 36. Table numbers in text.** Table 3.20 should be 3.19 and Table 3.19 should be 3.20
- **Page 64. Cost of health care section.** The reference 255 was incorrect. An asterix has replaced the 255 and a footnote added to the bottom of the page
- **Page 108, Figure 517.** The reference in the footnote (358) was incorrect and replaced with 390
