1 Motor vehicle allowance and arrangements

Effective 13 September 2013, the whole-of-government motor vehicle arrangements for senior staff remuneration packages will no longer include an option to be provided with a vehicle through QFleet.

The vehicle component of the remuneration package will instead be paid fortnightly as an allowance through the payroll system and be taxed on a PAYG basis. The allowance is not recognised for superannuation, annual leave loading or termination payment purposes.

Full-time Senior Medical Officers (SMOs) and Executive Directors of Nursing (EDONs) are entitled to the motor vehicle allowance equivalent to the SES level 1 or SES level 2 entitlement in accordance with the table below.

* adjusted by the Public Service Commission Chief Executive from time to time.

1.1 Fuel card

No entitlement exists for employees covered by this policy to be provided with a fuel card when they are in receipt of the motor vehicle fortnightly allowance.

1.2 Parking

A Senior Medical Officer may be provided with use of an official car park on conditions determined by the chief executive.

1.3 Mileage allowance

Mileage allowance is only to be payable to SMOs in receipt of the motor vehicle fortnightly
allowance when a Hospital and Health Service fleet vehicle or other alternative means of Hospital and Health Service funded transport is unavailable for work related travel purposes during normal work hours. Normal work hours do not include when an SMO is on call.

1.4 Payment of the allowance whilst on leave

The motor vehicle fortnightly allowance is to be paid on periods of paid leave. If leave is taken at half pay, the allowance shall be paid at half pay. Where leave without pay is taken, the allowance is not payable for the duration of the unpaid leave period.

1.5 Application to part-time SMOs

Part-time SMOs may be provided with a vehicle allowance at the discretion of their relevant Chief Executive (CE) or equivalent. The vehicle allowance amount for part-time SMOs is contained in the Medical Officers’ (Queensland Health) Memorandum of Understanding 2005 as follows:

- SMOs at a level equivalent to the SES level 1 category (Group A vehicle) are provided an allowance of $10,200 (per annum) paid on a pro rata basis.
- SMOs at a level equivalent to the SES level 2 category (Group B vehicle) are provided an allowance of $11,800 (per annum) paid on a pro rata basis.

The relevant CE should consider the following factors in providing the vehicle allowance to part-time SMOs:

- SMO is engaged by Queensland Health at least as a 0.5 FTE
- Amount of service provided
- Level of on-call and out of hours responsibilities
- Nature of service provided
- Geographic area covered by the service

This allowance is to be made on a fortnightly basis through the payroll system and is taxed on a PAYG basis.

Part-time SMOs who currently hold a fuel card are required to return the fuel card and will receive the allowance payable from the date the fuel card is returned.

Definitions:

| Vehicle entitlement value | The set value of the vehicle entitlement at the SES level 1 and SES level 2 (nurse grade 12) as determined (and amended from time to time) by the PSC Chief Executive and administratively applied through this policy to SMOs and EDONs. |
