

# RTI 2458/21

## Post application document

### Scope of application:

*I am seeking information on vaccine supply, application and current stocks containing the following information dating from 01 October 2020:*

- 1. The total number of vaccine doses supplied to Queensland broken down by vaccine brand (Pfizer, AstraZeneca, Moderna, etc...)*
- 2. The total number of vaccines applied, by brand*
- 3. The total number of vaccines currently stored, by brand*

*The time period / date range the applicant would like to search within: 01 October 2020 to 26 August 2021*

### The below information is relevant to Queensland Health only.

- 1. The total number of vaccine doses supplied to Queensland broken down by vaccine brand (Pfizer, AstraZeneca, Moderna, etc...)*

*As at 27 August 2021, a total of 1,679,126 doses have been supplied to the Queensland Health vaccination locations since the inception of the program, comprising of 1,407,066 Pfizer doses and 272,060 AstraZeneca doses.*

- 2. The total number of vaccines applied, by brand*

*As at 27 August 2021, a total of 1,289,255 doses have been administered by Queensland Health vaccination locations since the inception of the program, comprising of 1,144,665 Pfizer administrations and 144,590 AstraZeneca administrations.*

- 3. The total number of vaccines currently stored, by brand*

*As at 27 August 2021, a total of 296,801 doses remained on hand, comprising of 246,246 doses of Pfizer and 50,555 doses of AstraZeneca.*

Please note, the above statistics only apply to vaccinations administered by and stored within Queensland Health facilities. We are unable to provide you with vaccine data or statistics on vaccinations administered or stored by separate entity's, for example, General Practitioners or Pharmacists.
