Dentist coat pattern

Step 1
Materials required:
- Plain white T-shirt (womens’ size 8, child’s size 8-10)
- Soft-touch snap fastener kit (large)
- Dark grey cotton

Step 2
Draw in coat edge stitching line across the shoulder and down the side with pencil (it will wash out).

See diagram on left.

Step 3
Sew along line in grey cotton, using a long stitch length. Apply 3 to 4 studs as per package directions.

See diagram on right.

Alternatively, draw the coat edge seam with a waterproof marking pen and use buttons.
