Hospital facilities

QEII is a medium-sized hospital with around 175 beds and more than 600 staff including Visiting Medical Officers (VMOs). We have a supportive and friendly working environment with 24-hour Registrar (REG) or Principal House Officer (PHO) cover in most specialties.

The QEII Hospital has a state-of-the-art Emergency Department and Endoscopy Unit both of which opened late 2014. As part of this expansion a Transit Lounge and additional clinical training rooms were also built.

Clinical service profile

QEII Jubilee Hospital provides a range of inpatient and support services including; 24 hour emergency medicine, general medicine, surgical services (emergency and elective, including Day Surgery Unit and anaesthetics), cardiology, geriatric and rehabilitation services (GARS), gynaecology, orthopaedics, intensive and coronary care, neurology, gastroenterology, urology and urodynamic, and respiratory medicine.

Current outpatient, day only and support services include; Rehabilitation services, endocrinology, public dental clinic, Breast Screen Queensland, ophthalmology, endocrinology, an elective endoscopy service, and allied health services including; dietetics, occupational therapy, physiotherapy, social work and speech pathology.

These services are supported by onsite medical imaging, pathology and pharmacy services.

Community and lifestyle

Coopers Plains is a family friendly suburb only 12km from Brisbane's central business district. With its excellent retail and shopping facilities and along with numerous public transport options, it’s easy to see why many employees of the Queen Elizabeth II Jubilee Hospital choose to live in the area. The Hospital is the second largest employer in the suburb.

Explore Coopers Plains and its surrounds through the local park and bikeways. The 260 hectare Toohey Forest Park on the grounds of Griffith University offers active sightseers an opportunity to explore the native flora and fauna on a number of bushwalking tracks suiting varying levels of fitness. The park is perfect for picnics, bird watching and includes lookouts with stunning views of the city and its surrounds.
