

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER

July 2018 to Sept 2018

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received:		Reasons for Accepting or Giving (what is the benefit to the Qld Community).
					a) Retained by Individual	or b) Retained by Agency	
8/08/2018	Return airfare Brisbane to Melbourne	\$410	Cancer Council Australia	Paul Vardon	a		Attending first Expert Management Group Meeting relating to Breast Cancer
1/08/2018	Return airfare Brisbane to Canberra to present at the national strategic Plan for control of Tuberculosis in Australia.	\$300	RESULTS	Dr Christopher Coulter	a		Promotes TB control issues nationally including TB control issues in Queensland
1/08/2018	Return Airfare and accommodation to Wellington New Zealand	\$1,226	Australasian TB Conference	Dr Christopher Coulter	a		Sharing of best practice information on TB Control
15/06/2018	Return flights, accommodation, meals and incidental costs of attend the ATAGI meeting	\$2,200	ATAGI Department of Health	Karen Peterson	a		Through access to a world class national immunisation program
15/06/2018	Return flights, accommodation, meals and incidental costs of attend the ATAGI meeting	\$2,100	ATAGI Department of Health	Dr Sonya Bennett	a		Through access to a world class national immunisation program
1/06/2018	Invitation to annual RFDS Wings for Life Gala Ball for Dr Young and Prof Nimmo 28 Jul	\$300	RFDS Queensland Section	Jeannette Young	a		Networking with RFDS at Wings for Life Gala Ball
9/07/2018	Invitation to RNA Fine Arts Reception for Dr Young and Prof Nimmo 3 Aug	\$300	RNA & Industrial Ass. Qld	Jeannette Young	a		Networking with RNA QLD at Fine Arts Reception
19/07/2018	Invitation to RNA President hosted dinner for Dr Young and Prof Nimmo 12 Aug	\$300	RNA & Industrial Ass. Qld	Jeannette Young	a		Networking with RNA QLD at Fine Arts Reception
11/06/2018	2 x 10 day entry passes to the EKKa & 2 x guest badges	\$700	Royal National & Agricultural Association	Michael Walsh	a		Promotion of Queensland Health - offer was unused
7/08/2018	Cycling Jersey & Rashies	\$150	Bicycle Queensland	Michael Walsh	a		DG is Ambassador of Bicycles Queensland

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER

July 2018 to Sept 2018

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received:		Reasons for Accepting or Giving (what is the benefit to the Qld Community).
					a) Retained by Individual	or b) Retained by Agency	
16/08/2018	Lunch	\$310	KPMG	Felicia Wilton	a		Opportunity to attend lunch function run by Committee of economic development of Australia who continue to investigate linkages between health, ageing and social services to inform further integration of systems, workforces and care.
11/05/2018	Flight to Auckland	\$537	RANZCP	John Allen	a		Attend RANZCP Board meeting and Congress
28/02/2018	Flight to Mt Isa & conference registration	\$1,337	James Cook University	Julie Hulcombe	a		To deliver Key Note address at the 'Are You Remotely Interested?' Ninth Biennial Conference, Mt Isa Centre for rural and Remote Health
19/07/2018	Lunch	\$310	KPMG	Kirstine Sketcher-Baker	a		Opportunity to attend lunch function run by Committee of economic development of Australia who continue to investigate linkages between health, ageing and social services to inform further integration of systems, workforces and care.
7/08/2018	Lunch	\$310	QSuper	Wendy Fennah	a		Opportunity to attend lunch function run by Committee of economic development of Australia who continue to investigate linkages between health, ageing and social services to inform further integration of systems, workforces and care.
18/06/2018	Cyber Edge Conference	\$239	Adapt	John Borchi	a		To Attend Cyber Edge Conference
1/08/2018	Return Flights & Accommodation	\$482	Akolade	Sadeed Tirmizey	a		Presenting at Government Cloud Summit
14/06/2018	Return airfares, shared airport transfer (Sydney), accommodation & meals.	\$752	Boehringer Ingelheim Pty Ltd	Lachlan Parker	a		Mr Parker was invited to attend the Boehringer Ingelheim Pty Ltd sponsored Telestroke Forum and Stroke Unit Heads Meeting held in Sydney from 14-15 June 2018. Mr Parker is the QAS representative on the National Telestroke Working Group (NTWG). The forum and meeting brings together representatives from the Australian Ambulance Services, the National Stroke Foundation, hospital based clinicians and industry experts to review and improve stroke management in Australia.

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER
July 2018 to Sept 2018

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received:		Reasons for Accepting or Giving (what is the benefit to the Qld Community).
					a) Retained by Individual	or b) Retained by Agency	
8/03/2018	Return airfares and accommodation - Canberra.	\$1,621	Australian Capital Territory (ACT) Emergency Services Agency (ESA), Canberra	Terri-Ann Spence	a		Ms Spence was invited to facilitate and mentor the Peer Support Officers New Recruit Program in Canberra, ACT. The ACT are implementing the same program as the Queensland Priority One Staff Support program and sought assistance from the QAS. The ACT ESA paid for the flights and accommodation.
8/03/2018	Return airfares and accommodation - Canberra.	\$1,251	Australian Capital Territory (ACT) Emergency Services Agency (ESA), Canberra	Todd Wehr	a		Mr Wehr was invited to facilitate and mentor the Peer Support Officers New Recruit Program in Canberra, ACT. The ACT are implementing the same program as the Queensland Priority One Staff Support program and sought assistance from the QAS. The ACT ESA paid for the flights and accommodation.
13/07/2018	Conference registration fees	\$3,100	Steve Morris	Daniel Tincknell	a		Asset Management Conference Melbourne. Conference topics are relevant to the units deliverables. Daniel will also assist as the MC for information sessions held throughout the conference.
15/05/2018	9th Annual Modular Contructions & Prefabrication Summit conference ticket	\$4,759	Caitlyn Roye	David Sinclair	a		David was invited to be a guest speaker at the 9th Annual Modular Contructions & Prefabrication Summit to present about Queensland Health Infrastructure and future developments
16/07/2018	Guest of PWC table for CEDA event major sponsor	\$184	PriceWaterhouse Cooper	Barbara Phillips	a		The Hon. Annastacia Palaszczuk MP delivering state of state address
24/08/2018	19th Annual Employment Relations Conference	\$440	McCullough Roberston	Julie Collins	a		Educational knowledge to be gained by attending the 19th Annual Employment Relations Conference

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER
July 2018 to Sept 2018

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received: a) Retained by Individual or b) Retained by Agency	Reasons for Accepting or Giving (what is the benefit to the Qld Community).
3/07/2018	Airfares, Accommodation, Meal and incidentals	\$5,456	World Health Organization (WHO)	Alfred Lam	a	Alfred Lam is invited to attend the WHO meeting on WHO Classification of Tumours Group in Lyon, France to edit the 5th edition of Gastrointestinal Pathology by WHO. His expertise in Gastrointestinal Pathology in the last 20 years working in Pathology Queensland and chairing the meeting for the Gastrointestinal MDT meetings at the Gold Coast University Hospital. The book will be extensively used by all anatomical pathologists all over the world as well as in Pathology Queensland.
30/07/2018	Airfares and Accommodation	\$1,328	The Commonwealth Organ and Tissue Authority (OTA)	Alycia Thornton	a	Alycia Thornton is funded by OTA to attend regular face to face meetings in Melbourne as one of the QLD subject matter experts for planning, testing implementation and training of the new software OrganMatch. OrganMatch will replace the current aging software and is a new platform to enable the transplantation sector to determine the most appropriate match of solid organs for transplant patients. The new software will enable the best outcomes for QLD organ donation service, transplant patients and support the laboratory and clinicians in their transplantation decisions.

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER
July 2018 to Sept 2018

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received:		Reasons for Accepting or Giving (what is the benefit to the Qld Community).
					a) Retained by Individual	or b) Retained by Agency	
6/09/2018	Airfares, Accommodation and Registration	\$1,540	The Australasian Association of Clinical Biochemists (AACB)	Brett McWhinney	a		Brett McWhinney is invited to speak at the AACB Chromatography Mass Spectrometry Satellite meeting in Sydney. It is an opportunity for scientists to present at a national conference for new methods and research which utilise Mass Spectrometry in a clinical testing. Brett McWhinney has been asked to present due to his national reputation and experience within these areas. Pathology Queensland has a representative at a national Scientific meeting presenting the advances Pathology Queensland has made in the Clinical Mass Spectrometry and improved patient care.
1/08/2018	Airfares	\$412	Australian and New Zealand Policing Advisory Agency (ANZPAA)	Damien Cass	a		Damien Cass is invited to attend Medical Science Specialist Advisory Group (SAG) meeting in Sydney. His participation in the SAG presents an opportunity to gain enhanced knowledge regarding current issues and practice to influence future improvement and development. It is important to ensure that Forensic and Scientific Service's practice and standards are in line with the other states of Australia.
22/08/2018	Airfares	\$345	Australian and New Zealand Policing Advisory Agency (ANZPAA)	Helen Gregg	a		Helen Gregg is invited to attend the annual meeting of the Quality Managers Special Advisory Group (QMSAG) in Melbourne. Her participation in the QMSAG provides an opportunity for Forensic and Scientific Services to provide input and guidance into the tasks currently being actioned by the group.

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER

July 2018 to Sept 2018

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received: a) Retained by Individual or b) Retained by Agency	Reasons for Accepting or Giving (what is the benefit to the Qld Community).
9/09/2018	Registration	\$1,300	Australian and New Zealand Policing Advisory Agency (ANZPAA)	Ishvi Williams	a	Ishvi Williams is invited to present at the Australian and New Zealand Forensic Science Society 24th International Biennial Symposium 2018 in Perth. Her representation and participation will create the opportunity to network with participating scientists with invaluable ideas and organisational protocols
19/06/2018	Airfares and Accommodation	\$1,496	Commonwealth Department of Health	John Bates	a	John Bates is invited to the OzFoodNet Face-to-Face meeting to present data from the Communicable Diseases Genomics Network on a recent quality assurance exercise involving the network labs around Salmonella Enteritidis outbreaks on cruise ships. His participation enhances the role of Forensic and Scientific Services in providing high-level advice and provides a conduit for Queensland representation, as well as enhancing the role of public health laboratories around Australia.
14/08/2018	Airfares	\$350	Australian and New Zealand Policing Advisory Agency (ANZPAA)	Justin Howes	a	Justin Howes is invited to attend the Biological Specialist Advisory Group (BSAG) annual meeting in Adelaide. His participation presents an opportunity to expand the knowledge base of Forensic DNA Analysis. Through interaction with peers, the sharing of experiences will continue improving the established collaborative network in Australia and New Zealand.

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER
July 2018 to Sept 2018

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received: a) Retained by Individual or b) Retained by Agency	Reasons for Accepting or Giving (what is the benefit to the Qld Community).
19/06/2018	Airfares	\$850	Australian and New Zealand Policing Advisory Agency (ANZPAA)	Mark Stephenson	a	Mark Stephenson is invited to attend the Toxicology Specialist Advisory Group Meeting (SAG) in Darwin. His attendance at this meeting is an excellent opportunity to enhance the knowledge and capability of the Forensic Toxicology laboratory in Forensic and Scientific Services (FSS). This will occur by consultation and sharing of information and expertise with similar Toxicology laboratories from around Australia.
5/09/2018	Registration and Accommodation	\$1,110	Clandestine Laboratory Investigating Chemists Association (CLIC)	Marcus Cotton	a	Marcus Cotton is invited to attend and present at the 2018 CLIC Annual Seminar and Workshop in Kentucky, USA. Presenting at the workshop and seminar will allow him to disseminate information and demonstrate procedures associated with an emerging production method. His advice and analysis provides to the respective law enforcement agencies and laboratories in the investigation and prosecution of individuals undertaking illegal drug production activities.
20/07/2018	Airfares, Accommodation, Meal and Taxi	\$1,000	National Association of Testing Authorities (NATA)	Nick Shertock	a	Nick Shertock is requested to perform an assessment on a Calibration Laboratory for NATA in Melbourne. He has been recognised by NATA as having the technical knowledge and expertise to perform the role of technical assessor. His participation in the assessment presents an opportunity to benchmark and gain enhanced knowledge regarding the operation of similar calibration laboratories.

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER
July 2018 to Sept 2018

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received:		Reasons for Accepting or Giving (what is the benefit to the Qld Community).
					a) Retained by Individual	or b) Retained by Agency	
23/08/2018	Airfares	\$522	Australian and New Zealand Policing Advisory Agency (ANZPAA)	Peter Culshaw	a		Peter Culshaw is invited to attend the annual Drug Specialist Advisory Group (SAG) Meeting in Canberra. As the Deputy Chair of the ANZPAA, his participation at the Drug SAG meeting will allow him to share and discuss emerging trends in the area of illicit drugs and clandestine drug laboratory investigation. This includes new technologies, emerging drug trends, legislative issues and hazards. As national decisions are made at this forum, it is highly desirable that Queensland has a representative at this meeting.
1/08/2018	Airfares	\$260	The Royal College of Pathologists of Australasia (RCPA)	Robyn Wells	a		Robyn Wells is invited to present the Malaria Workshop in Sydney. She was approached due to her experience with malaria morphology both overseas and as part of the Qld Malaria Lab and as one of the committee members for the RCPA QAP malaria program. The workshop will provide continued education and morphology upskilling for PQ staff who attend and updating her information that is included in local training.
24/07/2018	Airfares and Accommodation	\$1,530	Office of the Attorney General, Samoa	Rohan Samarasinghe	a		Rohan Samarasinghe is requested to travel to Apia, Samoa to give evidence and perform an autopsy on the deceased.
29/08/2018	Airfares, Accommodation, Meals & Taxi	\$1,450	National Association of Testing Authorities (NATA)	Ross Kleinschmidt	a		Ross Kleinschmidt is invited to complete a quality assurance audit in Melbourne. Ross's participation in the upcoming NATA audit presents an opportunity to collaborate and share industry based best practice processes with private sector laboratory.

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER
July 2018 to Sept 2018

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received:		Reasons for Accepting or Giving (what is the benefit to the Qld Community).
					a) Retained by Individual	or b) Retained by Agency	
5/09/2018	Registration and Accommodation	\$730	Clandestine Laboratory Investigating Chemists Association (CLIC)	Sean Davis	a		Sean Davis is invited to present research and attend the seminar specifically catering to clan lab analysis in Kentucky USA. This will provide up-to-date training and information on emerging trends in clan lab synthesis and enhance the operational knowledge.
31/07/2018	Airfares, Accommodation and Registration	\$1,899	Akolade	Shaun Nesbitt	a		Shaun Nesbitt is invited to speak at a Government Cloud Summit in Sydney. His participation on a discussion panel addressing the cloud specific skill shortage. To attend and present at the conference boosting the profile of Queensland Health Information Technology System (ITS).
9/09/2018	Registration Fee	\$1,300	Australian and New Zealand Forensic Science Society (ANZFSS)	Shiona Croft	a		Shiona Croft is awarded a bursary and invited to attend and present at ANZFSS 24th International Biennial Symposium in Perth. Attendance of this symposium will provide invaluable information, assist in meeting the forensic chemistry department's objective as well as the sharing of her research outcomes to the forensic community.
31/08/2018	Airfares and Accommodation	\$736	Australian Haemophilia Centre Directors' Organisation (AHCDO)	Simon Brown	a		Simon Brown has been elected to the Executive of the AHCDO and invited to the AHCDO Executive meeting in Melbourne. AHCDO is actively involved in the National registry and various trials involving Haemophilia in Australia. Pathology Queensland will benefit by updated knowledge of testing in Haemophilia and new products. Dr Brown as Director of the Haemophilia Centre at Lady Cilento Children's Hospital and will be able to network with colleagues and update treatment protocols.

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER
July 2018 to Sept 2018

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received:		Reasons for Accepting or Giving (what is the benefit to the Qld Community).
					a) Retained by Individual	or b) Retained by Agency	
4/09/2018	Registration and Accommodation	\$1,110	Clandestine Laboratory Investigating Chemists Association (CLIC)	Timothy Currie	a		Timothy Currie is invited to attend and present at the 2018 CLIC Annual Seminar and Workshop in Kentucky, USA. Presenting at the workshop and seminar will allow him to disseminate information and demonstrate procedures associated with an emerging production method. His advice and analysis provides to the respective law enforcement agencies and laboratories in the investigation and prosecution of individuals undertaking illegal drug production activities.
20/07/2018	Airfares, Accommodation, Meals & Taxi	\$1,010	The Royal College of Pathologists of Australasia (RCPA)	Thomas Robertson	a		Thomas Robertson is invited to attend the Neuropathology RCPA Quality Assurance Program assessment meeting. Dr Robertson is convenor of the RCPA QAP in Neuropathology which is a nationwide Quality assurance program for technical and diagnostic proficiency. This is the annual meeting to score participant's submission in the programme.
7/08/2018	Airfares	\$306	National Institute of Forensic Science	Tony Peter	a		Tony Peter is invited to attend the Chemical Warfare Agent Laboratory Network (CWALN) Steering Committee meeting in Melbourne. Tony's participation at the CWALN meeting will allow him to gain enhanced knowledge regarding issues facing other CWALN laboratories. It also provides him with an opportunity to influence and provide a Queensland perspective for the enhancement and delivery of CWALN capabilities within Australia and New Zealand.

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER
July 2018 to Sept 2018

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received: a) Retained by Individual or b) Retained by Agency	Reasons for Accepting or Giving (what is the benefit to the Qld Community).
5/09/2018	Airfares	\$663	National Institute of Forensic Science	Tony Peter	a	Tony Peter is invited to attend the Chemical Criminalistics Special Advisory Group meeting in Perth. His participation at the workshop will allow him to receive a working copy of the Australian built fibres database and acquire the skills to upload UV-vis spectral data and images to the database.
1/08/2018	Airfares, Accommodation, Meals & Taxi	\$1,435	Roche Diagnostics	Ryan Sandry	a	Ryan Sandry is invited to attend the XN1000 key operator training in Sydney. Key operator training is a requirement for the optimal running of this analyser and it is essential to have the key operators in regional sites who can appropriately troubleshoot the analysers.
6/08/2018	Airfares, Accommodation and Airport Transfer	\$1,655	Roche Diagnostics	Joycelyn Woo	a	Joycelyn Woo is invited to attend the XN3000 key operator training in Sydney. Pathology Queensland has purchased XN haematology analysers to be rolled out state-wide to sites that the Reliving Team support. Key operator training is a requirement for the optimal running of the analyser by core haematology and key operational staff once rolled out to other metro and regional sites state-wide.
6/08/2018	Airfares, Accommodation, Meals & Airport Transfer	\$1,670	Roche Diagnostics	Mohamad Yanga	a	Mohamad Yanga, Relieving Scientist, is invited to attend the Roche XN3000 Key Operator Training in Sydney. Pathology Queensland (PQ) is rollout more of the XN series analyser to all the laboratories within PQ. The key operator training is a requirement for the optimal running of this analyser by relieving staff and key operational staff.

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER
July 2018 to Sept 2018

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received: a) Retained by Individual or b) Retained by Agency	Reasons for Accepting or Giving (what is the benefit to the Qld Community).
6/08/2018	Airfares, Accommodation, Meals & Airport Transfer	\$1,620	Roche Diagnostics	Sandra Haydon	a	Sandra Haydon is invited to attend the XN Key Operator Training in Sydney. As the key operator, she requires training on this analysis to gain advanced skills on this instrument in order to train other staff and give local expertise on troubleshooting and maintenance.
30/07/2018	Airfares and Accommodation	\$1,328	The Commonwealth Organ and Tissue Authority (OTA)	Tracy Cox	a	Tracy Cox is invited to attend regular face to face meeting in Melbourne as one of the QLD subject matter experts for planning, testing, implementation and training of the new software OrganMatch. OrganMatch will replace the current aging NOMS and is a new platform to enable the transplantation sector to determine the most appropriate match of solid organs for transplant patients. As a national program, it is crucial that there is input from each state's HLA laboratory who are the main users ensuring optimal matching of donor organs to transplant recipients.
19/06/2018	Airfares and Accommodation	\$1,120	The Royal College of Pathologists of Australasia (RCPA)	Fleur Francis	a	Fleur Francis is invited to attend RCPA Quality Assurance Program's annual Molecular Infectious Diseases Advisory Committee meeting in Sydney. The RCPA is a respected provider of external quality assessment programs for Australia and many other countries around the world. Attendance at this meeting recognises Pathology Queensland as a leader in quality and ensures direct input the policies of the RCPA QAP Molecular Infectious Diseases program.

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER
July 2018 to Sept 2018

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received: a) Retained by Individual or b) Retained by Agency	Reasons for Accepting or Giving (what is the benefit to the Qld Community).
22/06/2018	Registration, Accommodation and Travel	\$1,218	The Australian Institute of Medical Scientists (AIMS)	Fleur Francis	a	Fleur Francis is invited to present at the AIMS conference in Airlie Beach. The AIMS conference is an annual event to support medical laboratory personnel and students in the Tropical North Queensland area. The attendance at this conference in the role of the AIMS travelling orator will enable her to develop the scientific knowledge of the conference delegates and will thus benefit the continuing education of staff of pathology laboratories in north Queensland. Pathology Queensland will be recognised as an organisation whose scientists have considerable expertise and an organisation that embraces new technology in order to provide the highest quality medical science services to the Queensland community.
27/08/2018	Airmiles, Accommodation, Meals & Airport Transfer	\$1,840	Roche Diagnostics	Alex Weng	a	Alex Weng is invited to attend the Roche-Sysmex XN analyser primary operator training in Sydney. As Supervising Scientist of Haematology Alex is the primary point of contact for Ipswich Laboratory and it is expected he has primary operator training to assist with troubleshooting and analyser issues and able to train other staff members on site.

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER
July 2018 to Sept 2018

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received:		Reasons for Accepting or Giving (what is the benefit to the Qld Community).
					a) Retained by Individual	or b) Retained by Agency	
10/09/2018	Airfares and Accommodation	\$1,114	The Commonwealth Organ and Tissue Authority (OTA)	Alycia Thornton	a		Alycia Thornton is invited to attend regular face to face meeting in Melbourne as the QLD subject matter experts for planning, testing, implementation and training of the new software OrganMatch. OrganMatch will replace the current aging software and is a new platform to enable the transplantation sector to determine the most appropriate match of solid organs for transplant patients. The new software will enable the best outcomes for QLD organ donation service, transplant patients and support the laboratory and clinicians in their transplantation decisions.
7/08/2018	Airfares, Accommodation, Meals & Airport Transfer	\$1,345	National Association of Testing Authorities (NATA)	Annie Van Wessem	a		Annie Van Wessem is invited to attend a NATA assessment in Victoria. As part of the peer review accreditation process, Pathology Queensland is expected to contribute suitable qualified auditors commensurate with the number of external technical assessors required to maintain Pathology Queensland' accreditation on an annual basis.
6/08/2018	Airfares, Accommodation, Meals & Airport Transfer	\$1,900	Roche Diagnostics	Anthony Porter	a		Anthony Porter, a Shift Scientist in Mackay, is invited to attend the XN3000 Key operator training in Sydney. Pathology Queensland has purchased an XN3000 haematology analyser for the Mackay laboratory. Key operator training is a requirement for the optimal running of this analyser by core haematology and key staff.

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received:		Reasons for Accepting or Giving (what is the benefit to the Qld Community).
					a) Retained by Individual	or b) Retained by Agency	
27/07/2018	Airfares, Accommodation and Meals	\$1,021	Australian Group for Antimicrobial Resistance (AGAR)	Bronwyn Thompsett	a		Bronwyn Thompsett is invited to attend the Committee Meeting of the Australian Group for Antimicrobial Resistance (AGAR) in Melbourne. The focus of AGAR is to look at existing and emerging antimicrobial resistance patterns on a national level. Her participation from North Queensland broadens the surveillance area of AGAR and ensures we are capturing data from regional Australia.
10/08/2018	Airfares, Accommodation, Meal, Transfer and Parking	\$1,333	The Royal College of Pathologists of Australasia (RCPA)	Bronwyn Williams	a		Bronwyn Williams is invited to attend RCPA Haematology Part 1 and 2 Examinations as the examiner in Sydney. These exams are required for Haematology Registrars in the joint training program to complete training requirements. Pathology QLD is an accredited training site. Participation as an examiner assists in assuring training quality on site as well as ensuring knowledge of training standards and any changes in requirement.
30/07/2018	Airfares and Registration	\$1,279	Australasian Paediatric Endocrine Group (APEG)	Carel Pretorius	a		Carel Pretorius is invited to present at the APEG Annual Scientific Meeting in Newcastle. As the chemical pathologist with detailed knowledge of the scientific basis of these procedures he was invited to discuss recent advances in a specific area. Pathology Queensland will be promoted as a provider of high quality laboratory services to a wider community of Australian and international clinicians.

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER
July 2018 to Sept 2018

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received: a) Retained by Individual or b) Retained by Agency	Reasons for Accepting or Giving (what is the benefit to the Qld Community).
17/07/2018	Airfares	\$400	Australian Genomics Health Alliance (AGHA)	Chiyan Lau	a	Chiyan Lau is invited to attend the face to face meeting for the Mackenzie's Mission (MM) Project in Melbourne as a co-investigator on the MM project grant. Pathology Queensland will benefit by up-to-date knowledge of development in the area of preconception genomic carrier screening, and be positioned appropriately and strategically for clinical implementation. Dr Lau as Genetic Pathologist at PQ Central Laboratory is able to network with colleagues and align local plans with national development.
14/09/2018	Airfares & Taxi	\$797	The Royal College of Pathologists of Australasia (RCPA)	Diane Payton	a	Diane Payton is invited to attend the Overseas Trained Specialist Interviews in Sydney. The purpose of this event is to interview overseas trained Pathologists seeking admission to work in Australia. Diane's attendance at this college engagement will help maintain a professional and reciprocal relationship between Pathology Queensland and RCPA.
7/09/2018	Airfares, Accommodation and Taxi	\$1,020	Beckman Coulter	Flavia Battistutta	a	Flavia Battistutta is invited to attend the Beckman Coulter Product Launch and User Group Meeting in Melbourne. Attendance at the Product Launch and user group meeting will include information regarding the latest software upgrades for systems used in the laboratory as well as new reagents that will have a potential cost and time saving benefit for the laboratory. In addition, the meeting will provide the opportunity to interact with other scientists in the field.

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER

1/08/2018	Airfares	\$396	Australian Commission for Safety and Quality in Healthcare (ACSQHC)	Graeme Nimmo	a	Graeme Nimmo, State Director of Microbiology, is invited to attend a meeting of the Healthcare Acquired Infection (HAI) Advisory Committee of the ACSQHC. HAI Advisory Committee provides advice and expert input on all aspects of reducing HAI including developing accreditation standards. He is invited to attend due to his expertise in HAI.
14/08/2018	Airfares	\$502	Commonwealth Department of Health	Graeme Nimmo	a	Graeme Nimmo is invited to attend the Australian Strategic Advisory Group (ASTAG) on National Antimicrobial Resistance (AMR) Strategy 2015-2019 workshop in Canberra. ASTAG is the peak body advising on the response to AMR. As the State Director of Microbiology, he is invited to attend due to his expertise in antimicrobial resistance. This meeting will contribute to control of AMR.
26/07/2018	Airfares, Accommodation and Airport Transfer	\$698	Australian Commission for Safety and Quality in Healthcare (ACSQHC)	Graeme Nimmo	a	Graeme Nimmo is invited to attend the AGAR executive meeting and AGAR committee meeting due to his expertise in antimicrobial resistance (AMR) and as The Deputy-Chair of AGAR. AMR is a major priority of both the Commonwealth and Queensland Government. Surveillance of APR is a crucial element in the national and Qld Health response. Involvement in this activity also enhances Pathology Queensland's reputation and contributes to our expertise in AMR.

27/08/2018	Airfares, Accommodation, Meals & Airport Transfer	\$1,900	Roche Diagnostics	James Eaton	a		James Eaton is invited to attend the XN3000 Key operator training in Sydney. Pathology Queensland has purchased an XN3000 haematology analyser for the Mackay laboratory. The cost of this analyser included key operator training for key staff. Key Operator training is a requirement for the optimal running of this analyser by core haematology staff and key staff.
6/08/2018	Airfares, Accommodation, Meals & Airport Transfer	\$1,620	Roche Diagnostics	Jessica Payne	a		Jessica Payne is invited to attend the XN Key Operator Training in Sydney. By attending this training course she will have gained advanced skills on this analyser and be able to train other staff and also perform local advance troubleshooting.
8/09/2018	Airfares, Accommodation, Meals and Transfer	\$1,020	Beckman Coulter	Kerri Prain	a		Kerri Prain is invited to attend the User Group Meeting in Melbourne. Immunology in Pathology Queensland is the Flow cytometry reference laboratory. Attendance at the User Group Meeting will include information regarding the latest software upgrades for systems used in the laboratory as well as new reagents that will have a potential cost and time saving benefit for the laboratory. In addition, the meeting will provide the opportunity to interact with other scientists in our field.
1/08/2018	Airfares, Accommodation, Meals and Transfer	\$1,800	Roche Diagnostics	Kerry Liesegang	a		Kerry Liesegang is invited to attend the XN1000 Key Operator Training Course. Pathology Queensland has purchased an XN1000 haematology analyser for the Kingaroy laboratory. The cost of this analyser includes key operator training for key staff running the analyser. Key operator training is a requirement for the optimal running of this analyser in a rural laboratory.

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER
July 2018 to Sept 2018

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received:		Reasons for Accepting or Giving (what is the benefit to the Qld Community).
					a) Retained by Individual	or b) Retained by Agency	
5/08/2018	Airfares, Accommodation and Meals	\$2,854	National Association of Testing Authorities (NATA)	Luke Johnson	a		Luke Johnson is invited to attend a NATA assessment in Western Australia. As part of this peer review accreditation process, Pathology Queensland is expected to contribute suitable qualified auditors commensurate with the number of external technical assessors required to maintain Pathology Queensland's accreditation on an annual basis.
31/08/2018	Airfares	\$427	Breast Screen Australia	Margaret Cummings	a		Margaret Cummings is invited to attend the National Quality Management Committee meeting in Melbourne. As a member of the BreastScreen Qld State accreditation committee where she provides input related to pathology aspects of the screening programme. She involves in reporting cases from BreastScreen Northsides and presents cases at the clinical meetings. The more that is known of the requirements of the screening programme the better equipped she can provide a good service.
31/07/2018	Airfares, Accommodation, Meals and Transfer	\$2,150	Roche Diagnostics	Matthew Gomez-Ramos	a		Matthew Gomez-Ramos is invited to attend the XN1000 Key Operator Training Course. Pathology Queensland has purchased an XN1000 haematology analyser for the Longreach laboratory. The cost of this analyser includes key operator training for key staff running the analyser. Key operator training is a requirement for the optimal running of this analyser by core haematology staff and key operational staff.

9/07/2018	Airfares, Accommodation, Meals and Transfer	\$1,564	Roche Diagnostics	Murray Lewis	a	Murray Lewis is invited to attend the XN1000 Key Operator Training Course. Pathology Queensland has purchased an XN1000 haematology analyser for the Kingaroy laboratory. The cost of this analyser includes key operator training for key staff running the analyser. Key operator training is a requirement for the optimal running of this analyser in a rural laboratory.
9/07/2018	Airfares, Accommodation, Meals and Transfer	\$2,005	Roche Diagnostics	Nikkalus Leo	a	Nikkalus Leo is invited to attend XN key operator training in Sydney. Nikkalus is a multi-skilled scientist at the Warwick laboratory and invited to learn the advanced maintenance, operation and troubleshooting on the XN analyser. His attendance will benefit Pathology Queensland as he will be able to perform advanced maintenance tasks and operations on the new haematology analyser, and pass on the skills and knowledge he learns to other laboratory staff when he returns.
6/08/2018	Airfares, Accommodation, Meals and Transfer	\$1,620	Roche Diagnostics	Robert Jones	a	Robert Jones is invited to attend the XN Roche Key Operator Training in Sydney. XN3000 analyser is due to be installed at Logan Hospital Laboratory. He will be directly involved in the installation and validation process and will be able to train other staff members in its use as part of his role as acting Haematology Supervisor. By attending this event he will gain advanced knowledge on its operation and troubleshooting, reducing downtimes and minimising engineering expenses.

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received:		Reasons for Accepting or Giving (what is the benefit to the Qld Community).
					a) Retained by Individual	or b) Retained by Agency	
9/07/2018	Airfares, Accommodation, Meals and Transfer	\$1,512	The Royal College of Pathologists of Australasia (RCPA)	Robert Norton	a		Robert Norton is invited to attend the RCPA Board of Education and Assessment meeting in Sydney. As the Chief Examiner in Microbiology, this meeting is important in planning the training of Microbiology registrars in Australia. The benefit to Pathology Queensland relates to the involvement of PQ in training and education.
11/07/2018	Airfares, Meals and Taxi	\$768	The Royal College of Pathologists of Australasia (RCPA)	Robert Norton	a		Robert Norton is invited to attend the RCPA workshop on Genomics and Molecular diagnostics. This meeting relates to the new National Pathology Accreditation Advisory Council (NPAAC) standards on laboratory supervision. The RCPA has been asked to develop for supervision of this as it relates to Microbiology. As the Chief Examiner in Microbiology, this meeting is important in determining the training required to ensure adequate supervision by Pathologists.
25/08/2018	Airfares, Accommodation, Meals and Transfer	\$2,007	The Royal College of Pathologists of Australasia (RCPA)	Robert Norton	a		Robert Norton is invited to attend the RCPA Microbiology Examinations and the Microbiology Advisory Committee meeting to Sydney. This meeting relates to the examining of candidates, planning and organisation of training and assessments of Pathology of Pathology trainees in Australia. As the Chief Examiner in Microbiology, this meeting is important in planning the training of Microbiology registrars in Australia. The benefit to Pathology Queensland relates to the involvement of PQ in training and education.

27/08/2018	Airfares, Accommodation, Meals and Transfer	\$1,840	Roche Diagnostics	Ruth Hennegan	a		Ruth Hennegan is invited to attend the Roche Sysmex XN analyser primary operator training in Sydney. Haematology rolls out for Sysmex XN analysers in Ipswich Laboratory. XN Primary operator Training is an essential part of the change management plan for the new XN analyser. As a Multi-Disciplinary Continuous Shift Scientist, it is useful for her to have primary operator training to assist with troubleshooting and solving analyser issues when the Haematology Supervisor is unavailable.
25/06/2018	Airfares, Accommodation, Meals and Taxi	\$950	National Association of Testing Authorities (NATA)	Thomas Robertson	a		Thomas Robertson is invited to attend the NATA assessment in Sydney. The purpose of the event is to participate in the assessment of a Sydney laboratory to ensure a high standard of quality is maintained. As the Director of Neuropathology and a reporting Pathologist within Pathology Queensland (PQ) the level of professional experience he has gained would be beneficial to NATA's assessment. His attendance at this assessment will help to ensure the professional working relationship between PQ and NATA is continued.
