Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received: a) Retained by Employee or b) Retained by Qhealth	Reasons for Accepting or Giving (what is the benefit to the Qld Community).
6/08/2019	3 day pass to attend Council of Ambulance Authorities 19 Congress Committee	\$1,296	Mojca Bizjak-Mikic	Angela Beatson	a	Guest speaker at the CAA Congress Conference to talk about QAS journey as an Indigenous woman and how QAS supports Indigenous Culture and Diversity in the workplace
7/06/2019	College of Intensive Care Medicine of Australia & New Zealand - Return airfares to Cairns	\$592	College of Intensive Care Medicine of Australia and New Zealand	Stephen Rashford	a	For presenting at the College of Intensive Care Medicine of Australia and New Zealand - ASM Trauma A Crash Course 2019
12/07/2019	01/8/19 Registration to attend the Unplanned Pregnancy Abortion Centre	\$550	Children by Choice	Jacqueline Thomson	a	Jacqueline - accepting the complimentary registration ticket to attending the Unplanned Pregnancy Abortion Centre
19/06/2019	2 x 10 day passes to Royal Queensland Show 2019 and 2 x guest badges	\$700	Brendan Christou, Royal National and Agricultural Association	Michael Walsh	a	Promotion of Queensland Health
16/07/2019	CEDA: Health ageing and social services: Waste in the system luncheon event	\$197	Professor Nick Zwar, Faculty of Health Sciences & Medicine, Bond University	Karen Thompson	a	The event was an opportunity to gain insights into removing waste from the healthcare system to improve the system and its sustainability
25/09/2019	Dinner hosted by Chinese Consulate to celebrate national day and as recognition of QH for efforts to promote collaboration between Queensland and China	\$50	Dechun Chen, Consulate General of the People's Republic of China, Brisbane	Sunny Qui	a	Strengthens professional relationship between Queensland Health and Chinese Consulate, underpinning the development of future collaborative opportunities
25/09/2019	Dinner hosted by Chinese Consulate to celebrate national day and as recognition of QH for efforts to promote collaboration between Queensland and China	\$50	Dechun Chen, Consulate General of the People's Republic of China, Brisbane	Sarah Bloxsom	a	Strengthens professional relationship between Queensland Health and Chinese Consulate, underpinning the development of future collaborative opportunities
25/09/2019	Dinner hosted by Chinese Consulate to celebrate national day and as recognition of QH for efforts to promote collaboration between Queensland and China	\$50	Dechun Chen, Consulate General of the People's Republic of China, Brisbane	Nina Shen	a	Strengthens professional relationship between Queensland Health and Chinese Consulate, underpinning the development of future collaborative opportunities
25/09/2019	Dinner hosted by Chinese Consulate to celebrate national day and as recognition of QH for efforts to promote collaboration between Queensland and China	\$50	Dechun Chen, Consulate General of the People's Republic of China, Brisbane	Kate Cardwell	a	Strengthens professional relationship between Queensland Health and Chinese Consulate, underpinning the development of future collaborative opportunities
25/09/2019	Dinner hosted by Chinese Consulate to celebrate national day and as recognition of QH for efforts to promote collaboration between Queensland and China	\$50	Dechun Chen, Consulate General of the People's Republic of China, Brisbane	Jenny McLachlan	a	Strengthens professional relationship between Queensland Health and Chinese Consulate, underpinning the development of future collaborative opportunities

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER

July 2019 to September 2019

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received: a) Retained by Employee or b) Retained by Qhealth	Reasons for Accepting or Giving (what is the benefit to the Qld Community).
8/08/2019	Complimentary registration to ARCS conference in exchange for chairing and presenting at session C13.	\$705	ARCS, Secretariat and conference organising Committee	Melissa Hagan	a	Qld Government is a proud supporter of the ARCS conference (www.arcs.com.au) and for many years staff from Health Innovation, Investment and Research Office (HIIRO) have presented, chaired and run sessions and workshops. Last year QH HIIRO coordinated and hosted a trade display where 14 Qld companies involved in clinical trials co-exhibited. This was a success and HIIRO are running the Qld Pavilion booth once more. This year we have 16 exhibitors. The Qld consortium is growing with currently 44 Qld companies or large companies with a presence in Qld. Last year we were 25. ARCS are supporting HIIRO in kind with the complimentary registration to this year's conference in exchange for 4 HIIRO staff presenting at various sessions at the conference. I am one of the 4. The benefit to the community is that by this, we bring more clinical trials to Qld patients and via the tele trials model (which championed in Qld and which we are presenting) we are extending the reach of clinical trials to the rural and remote population in Qld, who now have access to trials closer to home. We bring more work to Qld companies and increase the employment opportunities in Qld.
8/08/2019	Complimentary registration to ARCS conference in exchange for chairing and presenting at session C13.	\$705	ARCS, Secretariat and conference organising Committee	Roberta Lusa	a	Qld Government is a proud supporter of the ARCS conference (www.arcs.com.au) and for many years staff from HIIRO have presented, chaired and run sessions and workshops. 30/06/2019	2 X Royal Flying Doctors Service (RFDS) Gala Ball Tickets	\$440	RFDS Queensland	Leanne Smith	a	Represent Queensland Health in its contract with RFDS
27/07/2019	2 X Tickets to the RFDS Gala Charity Ball for myself and my wife, Dr Kirsty Lindsay	\$440	Meredith Staib. CEO RFDS	Mark Elcock	a	Maintenance of professional relationships and networking opportunity with the RFDS QLD Executive and Staff

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER

July 2019 to September 2019

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received: a) Retained by Employee or b) Retained by Qhealth	Reasons for Accepting or Giving (what is the benefit to the Qld Community).
5/06/2019	Training and accommodation	\$580	Environmental Health Australia Inc Qld	David Gould	a	The mosquito training workshop provides state and local governments environmental health officers and vector control officers with information and practical guidance in mosquito biology, mosquito surveillance, legislative tools, public health responses to imported mosquito borne diseases in disaster events and other subjects that will assist them in reducing the public health risks associated with mosquito and mosquito borne disease in old.
5/06/2019	Training and accommodation	\$580	Environmental Health Australia Inc Qld	Jonathan Darbro	a	The mosquito training workshop provides state and local governments environmental health officers and vector control officers with information and practical guidance in mosquito biology, mosquito surveillance, legislative tools, public health responses to imported mosquito borne diseases in disaster events and other subjects that will assist them in reducing the public health risks associated with mosquito and mosquito borne disease in old.
7/06/2019	Flights Brisbane/Adelaide return 5 July	\$654	Dr Chris McGowan, CE Dept for Health and Wellbeing South Australia	Dr Jeannette Young	a	Invited to be on interview panel for Chief Public Health Officer SA
17/07/2019	2 X Tickets to the RFDS Gala Charity Ball for Dr Young and Professor Nimmo	\$440	Mr Mark Gray, Royal Flying Doctor Service	Dr Jeannette Young	a	Maintenance of professional relationships and networking opportunity
17/07/2019	Royal National Agricultural President hosted dinner 11 Aug for Dr Young & Graeme Nimmo	\$250	The President the Honourable Justice David Thomas, Royal National Agricultural and Industrial Association of Qld	Dr Jeannette Young	a	To stay connected to members of the RNA as part of the job of CHO
11/07/2019	Return airfare Brisbane - Melbourne & 1 night accommodation	\$760	Prof. Anna Peeters, Deakin University	Simone Nalatu	a	Participation in Re-Fresh Advisory Group meeting in Melbourne on 29/07/2019 (Simone is working with community stores)
18/07/2019	Attend the CEDA Health, ageing and social services waste system in Brisbane	\$197	BDO Australia	Chantel Casey	a	The event was an opportunity to gain insights into removing waste from the healthcare system to improve the system and its sustainability
19/06/2019	Airfares/Accommodation	\$685	Australian Criminal Intelligence Commission (ACIC)	Sharon Johnstone	a	As the jurisdictional representative for the training in the Familial searching software program NIFA, it is expected that the recipient attend the training to ensure that the Queensland laboratory is fully training in the use of the latest software and can in turn deliver training to the remaining team members in the use of the software.

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER

July 2019 to September 2019

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received: a) Retained by Employee or b) Retained by Qhealth	Reasons for Accepting or Giving (what is the benefit to the Qld Community).
20/06/2019	Airfares	\$450	Australian and New Zealand Policing Advisory Agency (ANZPAA NIFS)	Mark Stephenson	a	The recipient has been invited to attend the Toxicology Specialist Advisory Group meeting (SAG), held by the National Institute of Forensic Science (NIFS) in Adelaide. Attendance at this meeting is an excellent opportunity to enhance the knowledge and capability of the Forensic Toxicology Laboratory in FSS. This will occur by the initiation of joint projects as well as consultation and sharing of information and expertise with similar Toxicology laboratories from around Australia.
24/06/2019	Airfares/Accommodation/Meals	\$773	Royal College of Pathologists Australasia (RCPA)	Alfred Lam	a	The RCPAQAP provides training for pathologists in Australia. They have invited the recipient to attend and present at the Faculty of Science Committee Meeting. The benefit to Pathology Queensland relates to the involvement of PQ in training and education.
25/06/2019	Airfares/Accommodation/Meals/Transfers	\$875	National Association of Testing Authorities (NATA)	Goce Dimeski	a	Pathology Queensland's provision of staff time to act as NATA Assessors supports the vital role of NATA in maintaining patient safety in pathology testing through accreditation activities. This is a reciprocal process amongst Australasian laboratories.
25/06/2019	Airfares/Accommodation	\$815	Organ and Tissue Authority (OTA)	Alycia Thornton	a	The Commonwealth Organ and Tissue Authority (OTA) is covering the costs for trainers to attend face to face train the trainer meetings for the implementation of the new software system (OrganMatch) to replace the old National Organ Matching System (NOMS). The new software will enable the best outcomes for Queensland organ donation service, transplant patients and support the laboratory and clinicians in their transplantation decisions.
25/06/2019	Airfares/Accommodation	\$815	Organ and Tissue Authority (OTA)	Tracy Cox	a	The Commonwealth Organ and Tissue Authority (OTA) is covering the costs for trainers to attend face to face train the trainer meetings for the implementation of the new software system (OrganMatch) to replace the old National Organ Matching System (NOMS). The new software will enable the best outcomes for Queensland organ donation service, transplant patients and support the laboratory and clinicians in their transplantation decisions.
26/06/2019	Airfares/Accommodation	\$1,309	National Association of Testing Authorities (NATA)	Sanmarie Schlebusch	a	Forensic & Scientific Services' provision of staff time to act as NATA Assessors supports the vital role of NATA in maintaining patient safety in pathology testing through accreditation activities. This is a reciprocal process amongst Australasian laboratories.
28/06/2019	Airfares/Transfers	\$670	Royal College of Pathologists Australasia (RCPA)	Diane Payton	a	The RCPAQAP provides training for pathologists in Australia. They have invited the recipient to attend the Overseas Trained Specialist Interviews. The benefit to Pathology Queensland relates to the involvement of PQ in training and education.

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER

July 2019 to September 2019

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received: a) Retained by Employee or b) Retained by Qhealth	Reasons for Accepting or Giving (what is the benefit to the Qld Community).
1/07/2019	Airfares/Accommodation Meals/Transfers	\$1,900	Roche Diagnostics Australia Pty Ltd	Liam Paterson	a	Pathology Queensland has purchased an XN3000 analyser for the Cairns Laboratory, which required key operator training to be provided. The key operator will provide assessment for others as competent in operating this new equipment.
1/07/2019	Airfares/Accommodation Meals/Transfers	\$1,180	Roche Diagnostics Australia Pty Ltd	Daniel Egan	a	Pathology Queensland has purchased an XN3000 analyser for the Rockhampton Laboratory, which required key operator training to be provided. The key operator will provide assessment for others as competent in operating this new equipment.
9/07/2019	Airfares/Accommodation	\$674	Commonwealth Department of Health	Graeme Nimmo	a	The recipient has been invited to attend the Australian Strategic Advisory Group on Antimicrobial Resistance meeting in Canberra. The benefit to Pathology Queensland relates to the contribution of PQ staff expertise in federal government policies and processes.
9/07/2019	Airfares	\$398	Australian and New Zealand Policing Advisory Agency (ANZPAA NIFS)	Peter Culshaw	a	The recipient has been invited to attend the Research and Innovation Specialist Advisory Committee meeting (RIAC) in Melbourne. Attendance at this meeting allows the sharing and discussion of emerging trends within forensic science that will better focus research and innovation nationally. This will avoid duplication of research, allow enhanced collaboration and better focus for limited research budgets.
12/07/2019	Airfares/Accommodation/Meals/Tr ansfers	\$1,010	Royal College of Pathologists Australasia (RCPA)	Thomas Robertson	a	The RCPAQAP provides training for pathologists in Australia. They have invited the recipient to attend and facilitate at the QAP Neuropathology Technical Assessment program. The benefit to Pathology Queensland relates to the involvement of PQ in training and education.
13/07/2019	Airfares/Accommodation/Transfers	\$1,189	Royal College of Pathologists Australasia (RCPA)	David Gillis	a	The RCPAQAP provides training for pathologists in Australia. They have invited the recipient to attend and present at the Immunopath Examiner's Retreat. The benefit to Pathology Queensland relates to the involvement of PQ in training and education.
13/07/2019	Airfares/Accommodation/Transfers	\$990	Royal College of Pathologists Australasia (RCPA)	Richard Wong	a	The RCPAQAP provides training for pathologists in Australia. They have invited the recipient to attend and present at the Immunopath Examiner's Retreat. The benefit to Pathology Queensland relates to the involvement of PQ in training and education.
22/07/2019	Airfares/Accommodation/Meals/Tr ansfers	\$1,605	Roche Diagnostics Australia Pty Ltd	Penny Mills	a	Pathology Queensland has purchased an XN1000 analyser for the Thursday Island Laboratory, which required key operator training to be provided. The key operator will provide assessment for others as competent in operating this new equipment.
22/07/2019	Airfares/Accommodation/Meals/Tr ansfers	\$1,605	Roche Diagnostics Australia Pty Ltd	Anthony Critchley	a	Pathology Queensland has purchased an XN1000 analyser for the Innisfail Laboratory, which required key operator training to be provided. The key operator will provide assessment for others as competent in operating this new equipment.

30/07/2019	Registration Fees/Meals	\$3,120	Beckman Coulter	Michelle Franklin	a	Beckman Coulter are the providers of the AU480 Chemistry Analyser in Charleville. The recipient will be trained as a key operator of the equipment, and will be trained in the operation, maintenance, software, data interpretation and advanced trouble shooting. Once complete, the participant will train other staff at Charleville.
10/09/2019	Airfares/Accommodation/Meals/Transfers	\$1,620	Roche Diagnostics Australia Pty Ltd	Tara Monks	a	Pathology Queensland has purchased an XN1000 analyser for the Rockhampton Laboratory, which required key operator training to be provided. The key operator will provide assessment for others as competent in operating this new equipment.
30/07/2019	Registration Fees/Meals	\$3,120	Beckman Coulter	Ashleigh Robertson	a	Beckman Coulter are the providers of the AU480 Chemistry Analyser in Roma. The recipient will be trained as a key operator of the equipment, and will be trained in the operation, maintenance, software, data interpretation and advanced trouble shooting. Once complete, the participant will train other staff at Roma.
31/07/2019	Airfares/Accommodation/Meals/Transfers	\$900	National Association of Testing Authorities (NATA)	Joanne Beggs	a	Pathology Queensland's provision of staff time to act as NATA Assessors supports the vital role of NATA in maintaining patient safety in pathology testing through accreditation activities. This is a reciprocal process amongst Australasian laboratories.

DEPARTMENT OF HEALTH GIFTS and BENEFITS REGISTER

July 2019 to September 2019

Date Given or Received	Description of Gift or Benefit	Value	Name of Donor	Name of Recipient	Gifts Received: a) Retained by Employee or b) Retained by Qhealth	Reasons for Accepting or Giving (what is the benefit to the Qld Community).
2/08/2019	Airfares/Accommodation	\$961	Australian Haemophilia Centre Directors Organisation (AHCDO)	Simon Brown	a	The recipient is required to attend the AHCDO Executive Meeting in Canberra. This will provide benefit to Pathology Queensland by sharing up to date knowledge of testing in Haemophilia and new products.
5/08/2019	Airfares	\$376	Australian and New Zealand Children's Haematology and Oncology Group (ANZCHOG)	Thomas Robertson	a	This meeting is for members of the ANZCHOG Central Nervous System Tumours Group to share knowledge and remain informed on upcoming research grants and clinical trials. As Director of Neuropathology and a specialist in Paediatric Neuropathology within Pathology Queensland, this event provides an important opportunity for knowledge sharing in this field that will ultimately benefit Pathology Queensland patients and Queensland children.
6/08/2019	Airfares/Accommodation/Meals/Transfers	\$2,150	National Association of Testing Authorities (NATA)	Janine Fenton	a	Pathology Queensland's provision of staff time to act as NATA Assessors supports the vital role of NATA in maintaining patient safety in pathology testing through accreditation activities. This is a reciprocal process amongst Australasian laboratories.
9/08/2019	Airfares/Accommodation/Meals/Transfers	\$820	AstraZeneca Pty Ltd	Bibiana Tie	a	The recipient has been invited to attend the Optimising Molecular Testing to Improve Outcomes for Patients with Lung Cancer meeting in Sydney. The benefit to Pathology Queensland relates to the contribution of PQ staff expertise in the forefront of molecular testing of lung cancer.
24/08/2019	Airfares/Accommodation/Meals/Transfers	\$7,160	Merck Sharp & Dohme Corp (MSD)	Caroline Cooper	a	The recipient has been invited to attend the MSD PD-L1 (22C3) Advanced Course in head and neck cancer in Seoul, South Korea. This course is designed to train pathologists in interpretation of this immunohistochemical stain in order to be able to provide training to other pathologists. Pathology Queensland would benefit from having a participant receive training on PD-L1 interpretation as they will subsequently be able to train other pathologists.
26/08/2019	Airfares/Accommodation/Meals/Transfers	\$1,300	National Association of Testing Authorities (NATA)	Stephen Riley	a	Pathology Queensland's provision of staff time to act as NATA Assessors supports the vital role of NATA in maintaining patient safety in pathology testing through accreditation activities. This is a reciprocal process amongst Australasian laboratories.
28/08/2019	Airfares/Accommodation/Meals/Transfers	\$1,220	Royal College of Pathologists Australasia (RCPA)	Fleur Francis	a	The RCPAQAP Molecular Infectious Diseases QAP program is an essential element of the national infectious disease testing framework providing necessary training and quality assessment to participating laboratories. The Public Health Microbiology laboratory (PHML) is a national leader in the molecular testing of microorganisms of public health importance, particularly using whole genome sequencing. This expertise, offered through the recipient's attendance at the committee meeting will be important to the design of ongoing RCPAQAP Molecular Infectious Diseases QAPs.
