The following qualifications have been endorsed by the Health Practitioners and Dental Officers Consultative Group (HPDOCG) for the purpose of access to the VET incentive for CA2 to CA5 employees. Whilst the qualifications listed in this document may include mandatory qualifications for roles that have mandatory requirements for appointment, the list is qualifications deemed eligible for employees in each role type to receive the VET incentive accelerated pay point advancement or allowance.

Where a qualification has been listed, unless otherwise specified, eligibility applies to all superseded and superseding versions of that qualification, in accordance with <http://www.training.gov.au> qualification and training package information.

Note that qualifications above AQF level 4, certificate IV, are not required to be listed in this document.

Determination of the eligibility of qualifications above AQF level 4 is in accordance with the Clinical Assistants Vocational Education and Training Incentive Policy requirements.

(C) Indicates a current VET qualification

All clinical assistant roles

Training and assessment

These qualifications are considered eligible where a Clinical Assistant role is requested by their work area to train and assess other employees or students for a VET qualification i.e. line manager requests an employee to train and assess students undertaking placements in the same workplace.

Scheme	Eligible qualification/s
