Subject: DPC to provide support for Sunday's announcement
Importance: High

Hi Max

To support Sunday's data announcement, DPC are going to prepare media materials to roll out in regional markets on Monday.

If not already all over this, can someone from your team please give Rob Goulds a call this morning to discuss what support, data and information he needs.

Attached is the working draft – not final and not to be shared widely, but in case it's helpful.

Thank you!!
