

Pharmacy - Gympie Health Service

About us:

The Sunshine Coast Hospital and Health Service Pharmacy Department consists of pharmacy sites at Nambour, Maleny, Gympie and Caloundra hospitals. The Gympie Hospital Pharmacy service provides both inpatient and outpatient services and comprises a dedicated team of registered pharmacists and pharmacy technicians. The service aims to provide high quality, efficient clinical pharmacy and prescription services to health service patients.

We encourage patients to access most of their medications at their local pharmacy. If you are unsure about where you can fill your prescription, please ask our friendly staff.

Inpatients:

If you are an inpatient at Gympie Hospital, please note that bringing in all your medications, as well as a current medication list from your G.P., enables our pharmacists to provide efficient medication planning during your hospital stay.

How to find us:

Pharmacy Department Gympie Hospital
12 Henry Street, Gympie QLD 4570
