Flu vaccination

The Gympie Aboriginal and Torres Strait Islander Health team is offering flu and pneumonia immunisations for the Aboriginal and Torres Strait Islander community.
Be wise and immunise

Flu vaccine will be offered this year for children aged 6 months to 14 years of age, who have ‘medical risk factors’ - please talk to us about this if you think your child may be eligible.

Flu vaccine will be available for all Aboriginal and Torres Strait Islander people aged 15 years and over.

This year we will be offering:

• Home visiting clinics (April - July).

If you would like an appointment for a home visit or would like more information please phone the Aboriginal and Torres Strait Islander health team on 5489 8624 or 5489 8452.

This patient information supports a number of the National Safety and Quality Health Service Standards (NSQHS) including:

Service Delivery - Standard 11
Patients and the community have access to safe, high quality healthcare services that are appropriate, effective and meet their needs.

Provision of Care - Standard 12
The intention of this standard is to ensure high quality care is delivered to consumers/patients throughout the care continuum.
