Please preference **all** facilities in order of personal preference in the Respiratory and Sleep Pathway section of the online RMO application. Refer to the **Respiratory Medicine preferencing guide** for further information.

Current trainees

Current Qld Respiratory trainees are also required to provide an explanation of their top 3 single-trainee centre AND top 3 multi-trainee centre preferences as outlined in the job application.

New applicants

Applicants who are **not current Qld Respiratory Medicine Advance Trainees** should be aware that not all of the listed facilities will have positions available for new trainees. Current Qld Respiratory Medicine advance trainees are interviewed and allocated positions according to their training needs prior to consideration of new applications. An updated list of available facilities will be provided to new applicants who are shortlisted for interview.
