

# YOU DO SO MUCH FOR US. PLEASE DO ONE MORE THING FOR YOURSELF.

A breast screen is fast, free, friendly, female and you can book 24/7 on our website. Book yours today!

A breast screen appointment only takes 30 minutes and is a must every two years for women aged between 50 and 74. With the help of early detection, the five year breast cancer survival rate has increased to 90 per cent. We know you do so many things already, but please do just one more thing—for yourself and for those who love you greatly.
