

Geriatric Medicine training preference guide

RMO Campaign 2021

In Queensland, selection to an advanced training position in Geriatric Medicine is managed centrally by the [Queensland Geriatric Medicine Advanced Training Pathway](#). The pathway is based on the [Royal Australasian College of Physicians](#) (RACP) Geriatric Medicine Advanced Training curriculum and is overseen by Dr Shaun Pandy and Dr Lucy Dakin, coordinators of the Queensland Geriatric Medicine Advanced Training Pathway.

New and current trainees applying for a training position should complete the **Queensland Geriatric Medicine Advanced Training Pathway** section within the online RMO application.
