Oral Maxillofacial Surgery (OMS) is a challenging specialty that combines dental, medical and surgical knowledge and skills, and requires extensive study in a rigorous training program. Selection onto the OMS Training Program must be made directly to The Royal Australasian College of Dental Surgeons (RACDS).

In Queensland, for an employment contract to be issued by your allocated training facility, applicants MUST ALSO submit an application via the RMO Campaign portal. For further information on the individual facilities including contact details, please refer the Participating hospital contacts and profiles page on the RMO Campaign website.
